“Walking with God in Integrity:  
The Great Question; or, To God Be the Glory:  
How can that be?”

Introduction: There are only four questions

The Foundation: The Meaning of Romans 11: 33-36

1. The overwhelming expression of praise, v.33
2. The basis of the praise: the greatness of God, vv.34-35
3. The reason for praise: the realization, v.36

Further Question of Importance: How do your answer the third and fourth questions, some investigative questions?

1. Introduction: The ponderous question: how?
2. What did God create the world?
3. Why did God create mankind?
4. How can God show forth himself in the creature since we have been blighted and twisted within? What did God give us in our blightedness?
5. What is this life that He gave us?

6. What does it mean that the Spirit indwells us? What is the Spirit's manner of indwelling us? How does this relate to glorifying God?
7. Conclusion: What God seeks of us, He has given to us?

Implications: So what? What does all this practically mean to you?

1. A Fact: Life is not about us!
2. The meaning: We are only mirrors!
3. A challenge: A practical step!
