

## Week 5—Revisiting:

### **“Unwilling: Early Choices Silence the Voices”**

**1 Samuel 26:21, 2 Samuel 22:1-7**

Group dialogue: What is the ideal epitaph for your life to date? How would you like to see that “one line summation” change between now and the time you die?

What “seed” choices have affected your life negatively for a long period of time?

What choices has our country made that effect our well-being for long durations of time?

What choices did David make to alleviate problems and discontent in his life?

5. How have you managed to remain free from wrong choices and the emotional and spiritual consequences that follow?
