

The Ascension: The Crown Jewel Of Christology

Part 2

Hebrews 8:1–4

**Introduction:**

Hebrews 8:1 **Now the main point in what has been said.**

The writer of Hebrews shares with his readers two blessed realities about the heavenly ministry of Jesus and their connection with the ascension of Jesus.

**The position from which Jesus ministers. 8:1**

*Seated: Finished nature of his ministry.*

*Seated at the right hand of the throne.*

A place of supreme honor.

A place of supreme blessing

**The place from which Jesus ministers. 8:2–3**

“As long as we are in this tabernacle of flesh, our best deeds and highest thoughts are still imperfect, and nothing that is imperfect can enter into the presence of a Holy God. Therefore, our great High Priest makes intercession for us, He takes our imperfect offerings and purges them and He Himself offers them to the Father perfect and complete.” Oliver B. Green
