**1. The sinful legacy of \_\_\_\_\_.**

- a. Shebna's legacy was characterized by \_\_\_\_\_ - seeking and arrogance.
- b. Shebna was deceived into thinking that he was \_\_\_\_\_ in his sin.
- c. God would see to it that Shebna was thrown down and his legacy would become \_\_\_\_\_.

**2. The God-honoring legacy of \_\_\_\_\_.**

- a. Eliakim was a proven \_\_\_\_\_ of God.

b. Eliakim was entrusted with great \_\_\_\_\_ and he exerted that authority with fatherly care.

c. Eliakim had a \_\_\_\_\_ influence and was a help to many.

d. It is a great blessing to have godly influences in our lives, but we must be sure that the faith we have is our \_\_\_\_\_.

**3. The legacy of \_\_\_\_\_ and His church.**

a. Jesus Christ is the Sovereign \_\_\_\_\_ and we must live by faith and in full submission to Him.

b. Christ has given the keys of the kingdom to His church so that we might be bound together in the fellowship of a local \_\_\_\_\_.
