Praxis

1. What does it teach us that Paul said in Acts 20:31 he “did not cease night or day to “nouthetize” every one with tears”?
2. What does 1 Cor 4:14 & Eph 6:4 add to our understanding of how we are to “nouthetize” one another? How does it inform your idea of a parent's function?
3. What factors keep you from following Paul's example of speaking “very boldly” when there is a need to “nouthetize”? What would motivate you?
