

How The Promised Land Was Won

A Study of Joshua

Preparing to Conquer: The Big Battle with Impatience Joshua 5

Winning with Patience:

1. Renew our covenant with God. (vs. 2-7)
2. Reaffirm our confidence in God. (v. 8)
3. Remove our condemnation by the Lord. (v. 9)
4. Remember the commitment of the Lord! (vs. 10-12)
5. Remember your commitment to Lord! (vs. 11-12)
 - First step is getting you out of Egypt
 - Second step is getting Egypt out of you.
 - Self test: do you have a greater hunger for world and its goods or for God and his word?
6. Recognize the control of the Lord! God, whose side are you on... mine or my enemies? God's answer is neither. (vs. 13-15)
 - Assume your proper position.
 - Take the proper posture.
 - Before you can have the victory you must be vanquished
 - Before you can conquer, you must first be conquered!
 - Before we lift up the sword to fight we lay it down at His feet.
 - We must relinquish all control to God!

1 Samuel 17:47 Then all this assembly shall know that the LORD does not save with sword and spear; for the battle is the LORD's, and He will give you into our hands."
