

Justice Culture and the killing of womanhood

And I will put enmity Between you and the woman, And between your seed and her Seed; He shall bruise your head, And you shall bruise His heel." (Gen. 3:15). "And the dragon was enraged with the woman, and he went to make war with the rest of her offspring, who keep the commandments of God and have the testimony of Jesus Christ.' (Rev. 12:17).

The social justice movement seeks to erase distinctions, pull down authorities, dismantle Biblical order in the home, in the church and in the state. News stories about changing gender identities are flooding the news. It's almost deafening. It is a focused drive to eliminate all limitations of identity and function in society. At the heart of the tumult is the urgency to destroy Biblical categories of man and woman made in the image of God. Women are often the prime targets in the war.
