

ZECHARIAH

A Great Deliverance Zechariah 12:1-9

Mac Williams, Pastor
September 13, 2020

1. **God is active in His providential _____ over all of His creation for His own glory, with the benefit of His people always in view.**

2. **The world is often openly _____ to the people of God, but the Lord Himself will defend and deliver them.**
 - a. The world's hatred for the people of God is exemplified in the hatred of Haman for the Jews in the book of _____.

 - b. The Lord actively watches over His people and will cause the schemes and weapons of the hostile world to _____.

“The world views God’s people as an impediment to its sinful program and ambitions. But when the world tries to move the _____, God makes her weighty and breaks the back of the ungodly.”

- Richard Phillips

3. **In the midst of the world’s attacks, the Lord works in the _____ of His people to strengthen them for victory.**
 - a. The Lord will enable even the most _____ believers, to have the strength and courage to stand firm together in the midst of opposition.

 - b. The Lord will raise up _____ in the church to testify to the truth of God’s Word and to the Gospel, and cause their words to spread like a blazing fire.

 - c. The Lord defended and preserved the Jewish people because it was through them—through the line of David—that Christ the Savior King would come and bring the ultimate _____ and deliverance that all men need.
