Election 2020 Sermon Pt.1: **“Trump The Democrat!”**

**I Text:**

Old Covenant: *Exodus 20:1-23*

New Covenant: *Mark 12:13-17*

**II Doctrine:** Before casting our vote we should look to God’s law for guidance. The Christian should look for how closely a candidate aligns with God’s law. All law is religious in nature and reflects the God who rules a society.

When a Nation is wicked, the rulers of that Nation will reflect the people. When we are faced with terrible choices for leadership positions, remember Christian’s serve a different master.

We are to be influenced as little as possible by national governments. Our main concern is to build strong families to strengthen the Kingdom of God. God’s people who are faithful will achieve victory under any circumstances.
