***"It's Time!"***

*Luke 9: 59-60; Matthew 7: 21*

People like to wait for the **right** time before they follow Jesus.

*Revelation 3: 16; Luke 9: 60*

Jesus **guides** us and strengthens us through the perils we face in life.

Sometimes later becomes **never**.

*Luke 9: 61-62*

True followers shouldn't have split alliances or **divided** affection for Him.

Jesus must be the **#1** pursuit and priority in your life.

The things you're not willing to **give up** can be the things that stand in the way of you and your Savior.
