- Anabaptists
- Quakers
- Brethren

Reformed

Roman Catholic Church

- Effectiveness of means is unpredictable
- Nothing to do: wait for God
- No set means: God uses anything
- Holiness measured in terms of emotions

- Effectiveness of means is promised, if we respond in faith
- Observation of means by believers
- # of means set by Scripture
- Holiness measured by conformity to Christ & His

- Effectiveness is automatic ("ex opere operato")
- Performance of means is ritualistic
- # of means is set by the Roman Church
- Holiness measured quantitatively
