1. The Problems must be Removed

v 8    *my determination is to gather the nations ... assemble*      **Zechariah 14:2**

hist: heathen nations destroyed by Nebuchadnezzar

doct: The United Nations General Assembly (UNGA) - policy making organ of the U.N.

**Genesis 49:6**

The deceived anti-Biblical fools (Ps 14:1) of the U.N. secretly plan a 'new world order'.

The desire of these global elites is forced 'unity' through world tyranny by the U.N. council of self appointed '*gods*' (Gen 3:5, Zeph 2:15).

These socialist so-called 'leaders' (Isa 9:16, Mt 15:14) believe they are the only ones wise enough to rule the earth.

They propose to impose population control, set the bounds of the earth's inhabitants (contrast Acts 17:24-26) and control the environment (Gen 8:22).

They plan to eliminate national sovereignty and thereby politically and religiously unite the world to bring in global 'peace and safety' (1 Thes 5:2).

They sit on their self-made *thrones* and feverishly *frame mischief by a law* (Ps 94:20) and *work the mystery of iniquity* (2 Thes 2:7) in human government (which is a gift of God, Rom 13:1).

Little do they know that God's *determination is to gather the nations* so that the Lord Jesus can *send forth his angels ...to bind all things that offend, and them which do iniquity; and cast them into a furnace of fire.* **Matthew 13:24-25, 36-43**

## 3. God's People must be Returned

v 10 - 12 Neighboring nations will return the Jews to God's land, the proud and haughty *shalt be no more...and the afflicted and poor people shall trust in the name of the Lord.*  
**Matthew 5:3**

## 4. The Practice must be Righteous Living

v 13 *The remnant shall do iniquity* e.g. **Luke 1:6**

## III. Israel's Rejoicing

v 14 - 20

v 14 *Singing, shouting ... and rejoicing along with glad hearts* will usher in the Millennium.
