

REVELATION 07 – DUALITY OF CHRIST'S *CLOUDY* COMING

Dr. Leon L. Sanders
Revelation 1:7

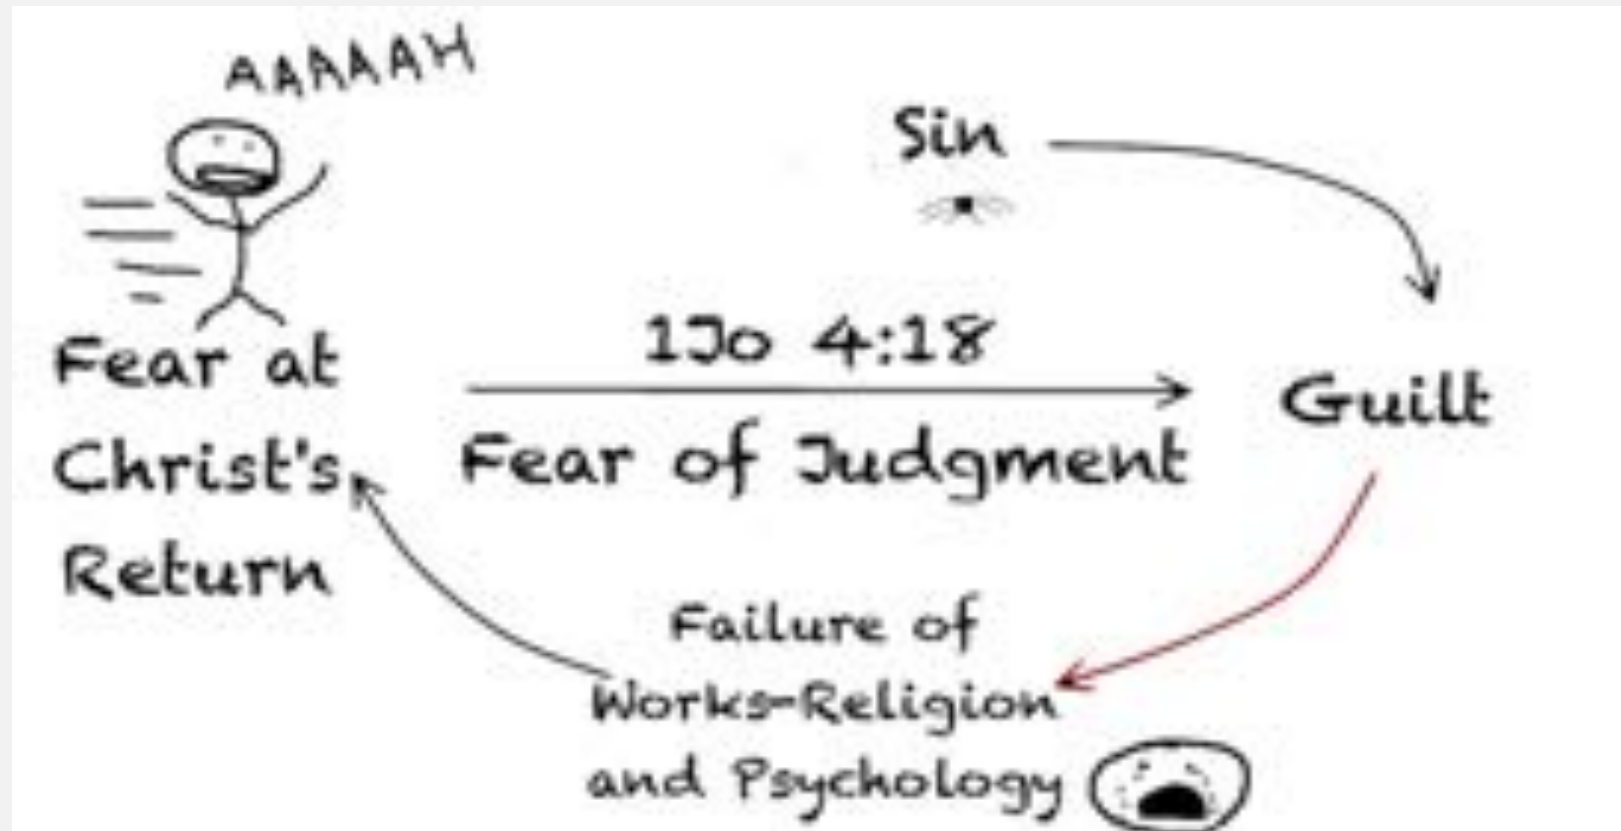

BEHOLD! SCRIPTURE FULFILLED

- This word {ἰδοῦ, idou} is in the second person imperative voice emphasizing the need to *pay attention! Scripture is being fulfilled!*
 - It is in the Greek *Middle Voice* emphasizing the action is not coming from the speaker or listener but from outside them; *God is at work!*
 - Revelation uses this command > 20 times; but Matthew and Luke use it > 40 times!
 - Lost exclaim, *Where is the Promise of His coming?* (2Pe 3:3-4)
 - God answers, *Look! I am Coming!*
 - Revelation is the preparing for His Coming and Sinners' rebellion
 - Finally, establishment of His eternal Kingdom; purpose of **this** Creation! Amen!

REVELATION SUMMARIZED: YOU **WILL** SEE HIM

- After the command, *Behold!*: John exclaims *every eye will see Him!*
 - This is Christ's answer to the False Teachers and Lost's claim of Christ not returning
 - When He left, only His Apostles saw Him; but the Promise was given that He would return in like manner; in the clouds (Ac 1:9-11)
- When He returns everyone will see Him: Lost {Jew-Gentile} and Saved
- Summarizes Revelation in one verse of Warning and Promise depending on one's relationship to Christ: Contrasting Duality or "Which are You?"
 - Lost will wail {κόπτω, kopto}, funeral mourning, for their Second Death: Judgment (Re 6:15-17; 20:11-15)
 - Saved will rejoice for Eternity in New Jerusalem and New Earth with Him (Re 7:9-12; 21-22)

FEAR OF ACCOUNTABILITY: WORKS BETRAY THE LOST

CREATOR CHRIST RETURNS: REACTION OF HIS CREATIONS

LOST

Duality of Revelation - Bible

SAVED

HE COMES: *IN THE CLOUDS?*

- Clouds {νεφέλη, nephele} associated with God throughout Bible
 - Father at Mount Horeb {Clouds, Lightning, Earthquakes: **Holiness**} (Ex 19:9, 16-20; 20:18-21)
 - Christ at His Ascension: Quietly as holiness satisfied (Ac 1:9-11)
 - Clouds validate Christ's Return as genuine: God's power **all** see (Mt 24:29-30; Mk 13:21-23)
- Unfortunately, clouds mythologized in Christianity, as in paganism; i.e., apotheosis of Geo Washington; Capitol Building
 - Revelation mythologized robbing it of reality and imminency {Christian Rapture}
 - Arose from ignorance; not understanding processes {Only recently discovered}
 - *Eisegetical* attempt to keep Bible relevant; opposite effect: Honors Satan, not the Son

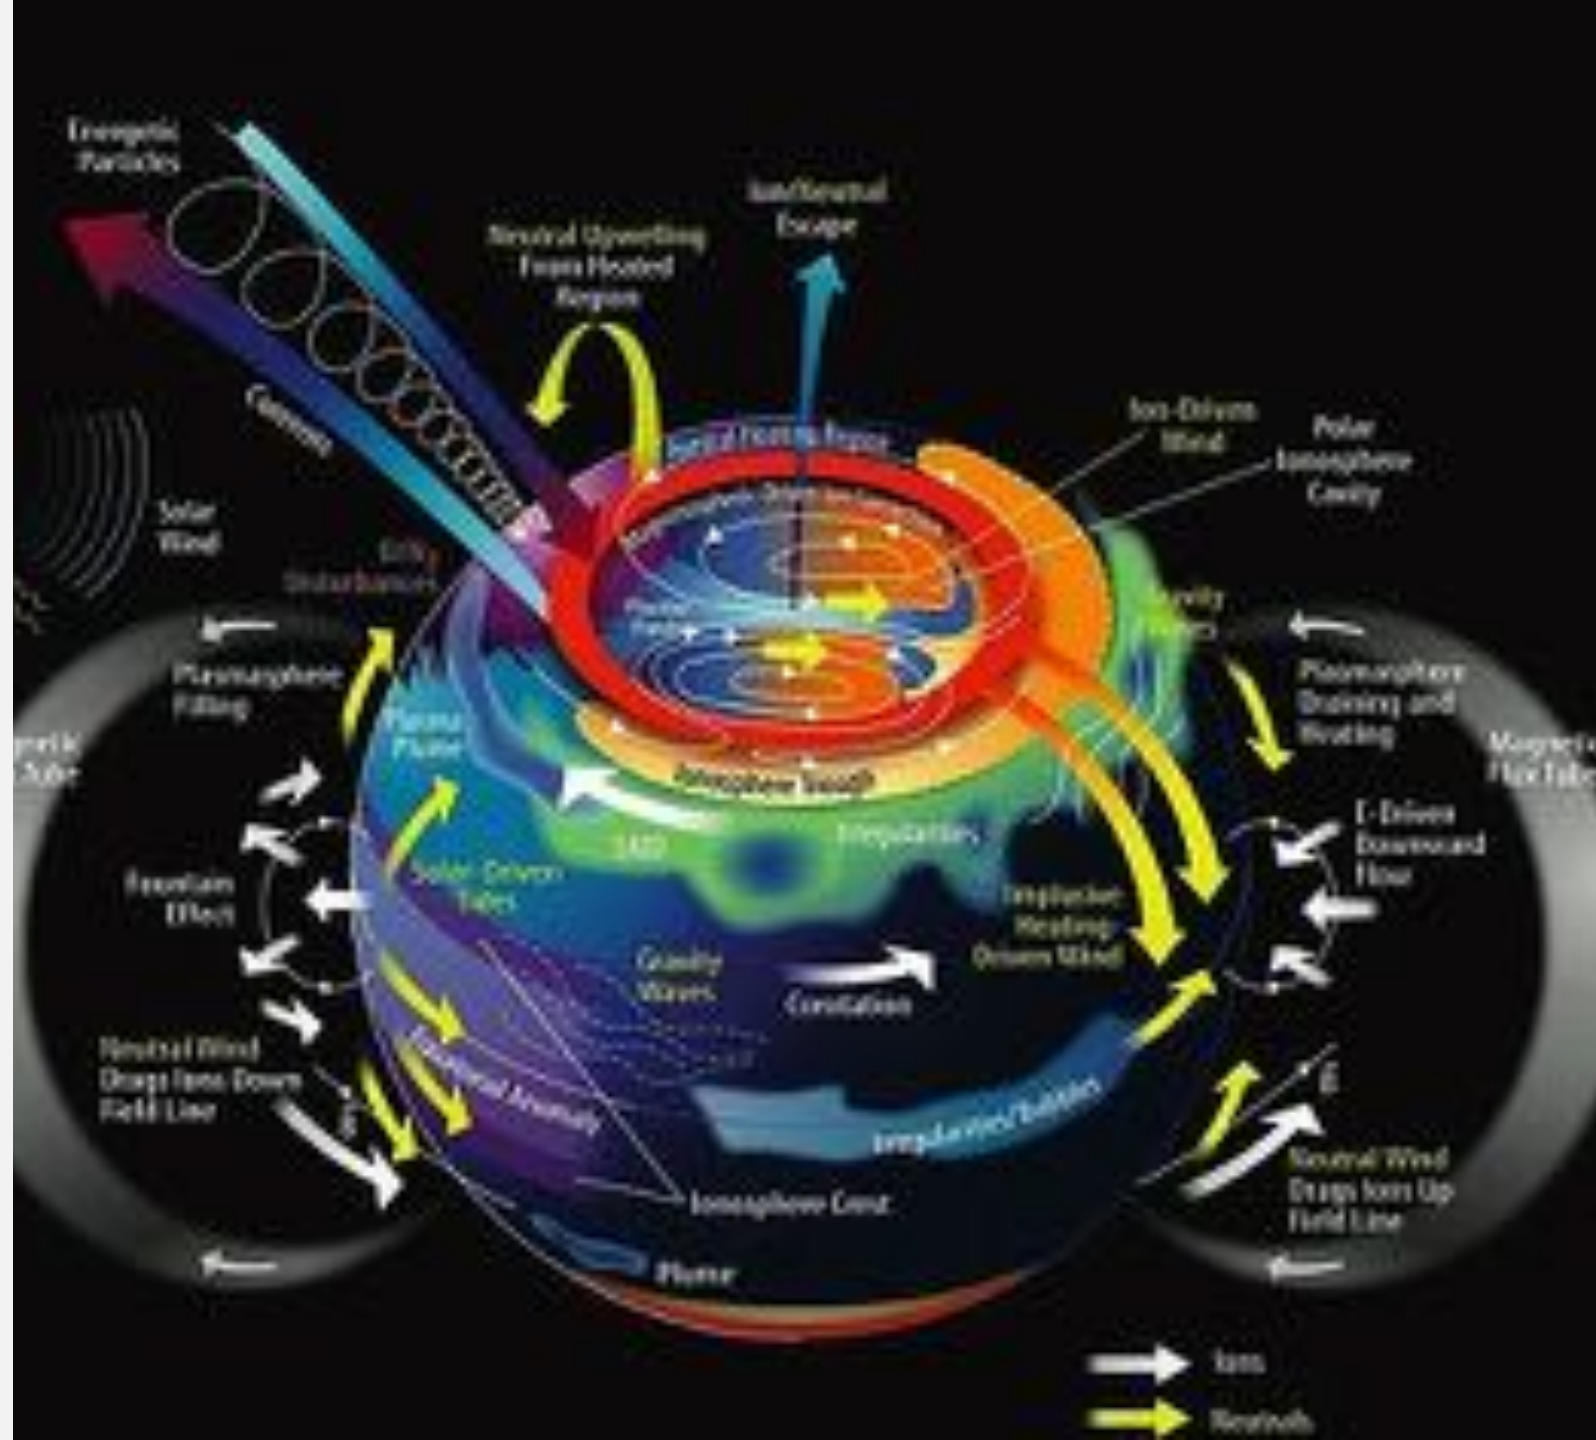

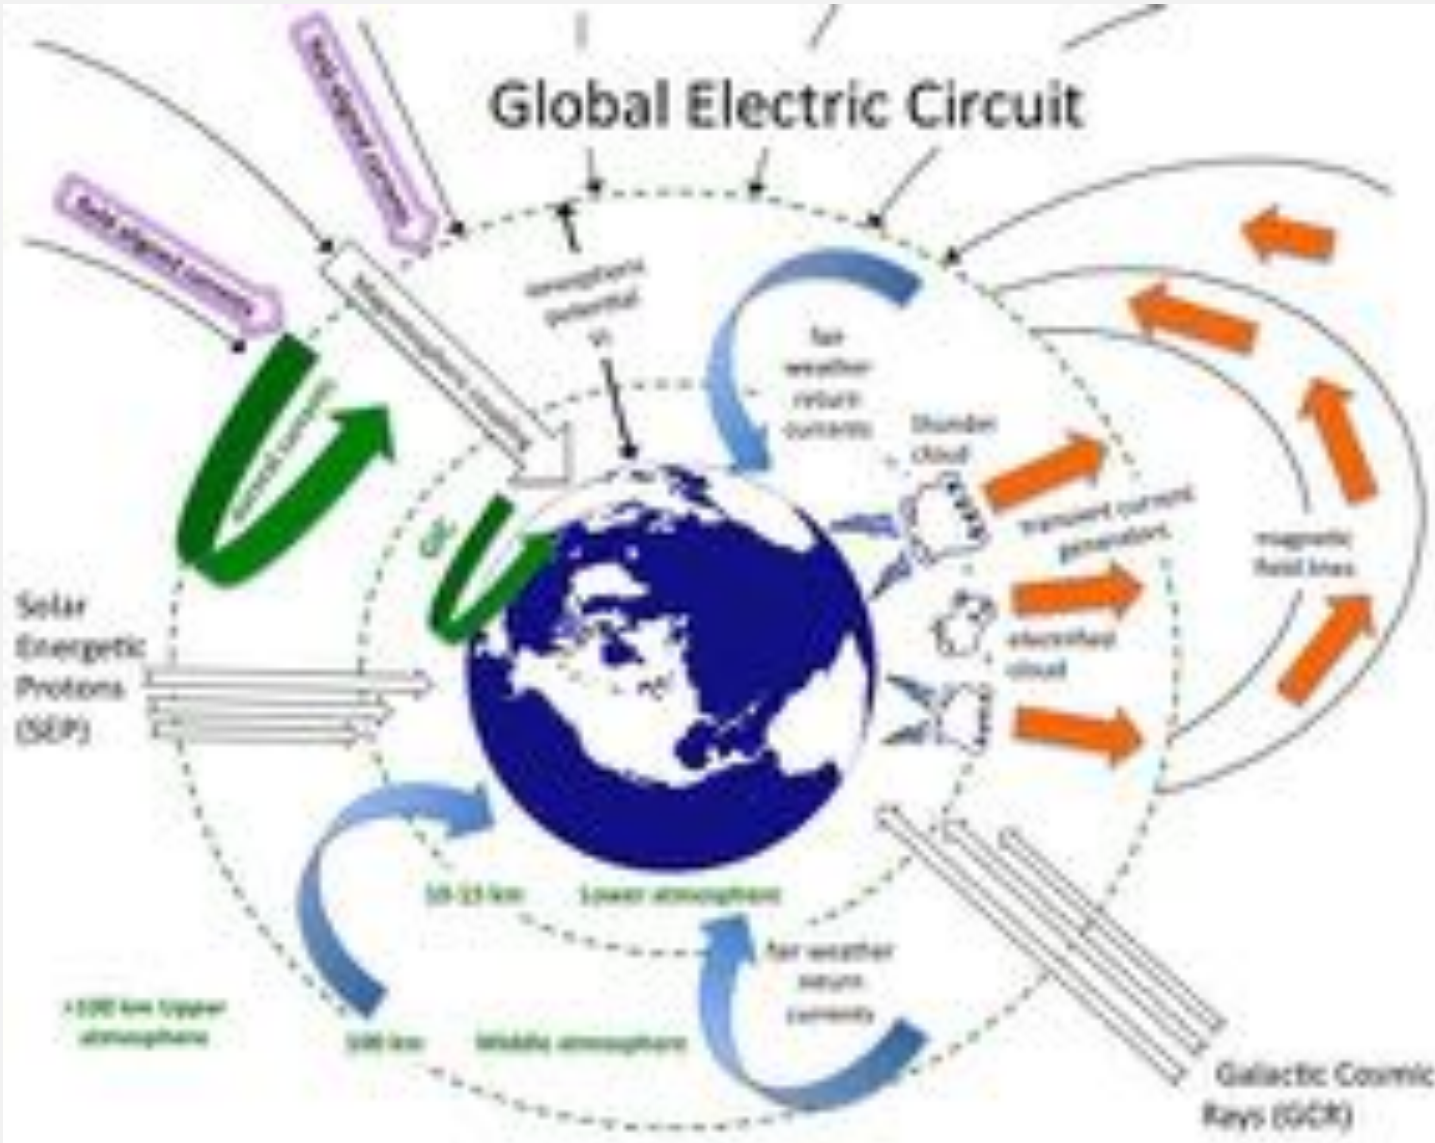

**EISEGETICAL IGNORANCE
PAGANISTIC-GNOSTICISM:
REJECTION OF CHRIST'S REVEALING**

EARTH: FOCUS OF GOD BUT PART OF A SYSTEM

- Space *looks* empty; ἰδοῦ! Not!
- Hostile energies impact Earth's electro-magnetic shield
- Sun, Attacker and protector: matter-ionizing energy and electro-magnetic shield
- Earth's climate sum of these many cyclic influences
- Man's energy outputs feeble compared to these *natural* energies of God! {"The ability to destroy a planet is insignificant next to the power of the Force (Space)."} (Darth Vader-Star Wars®)}

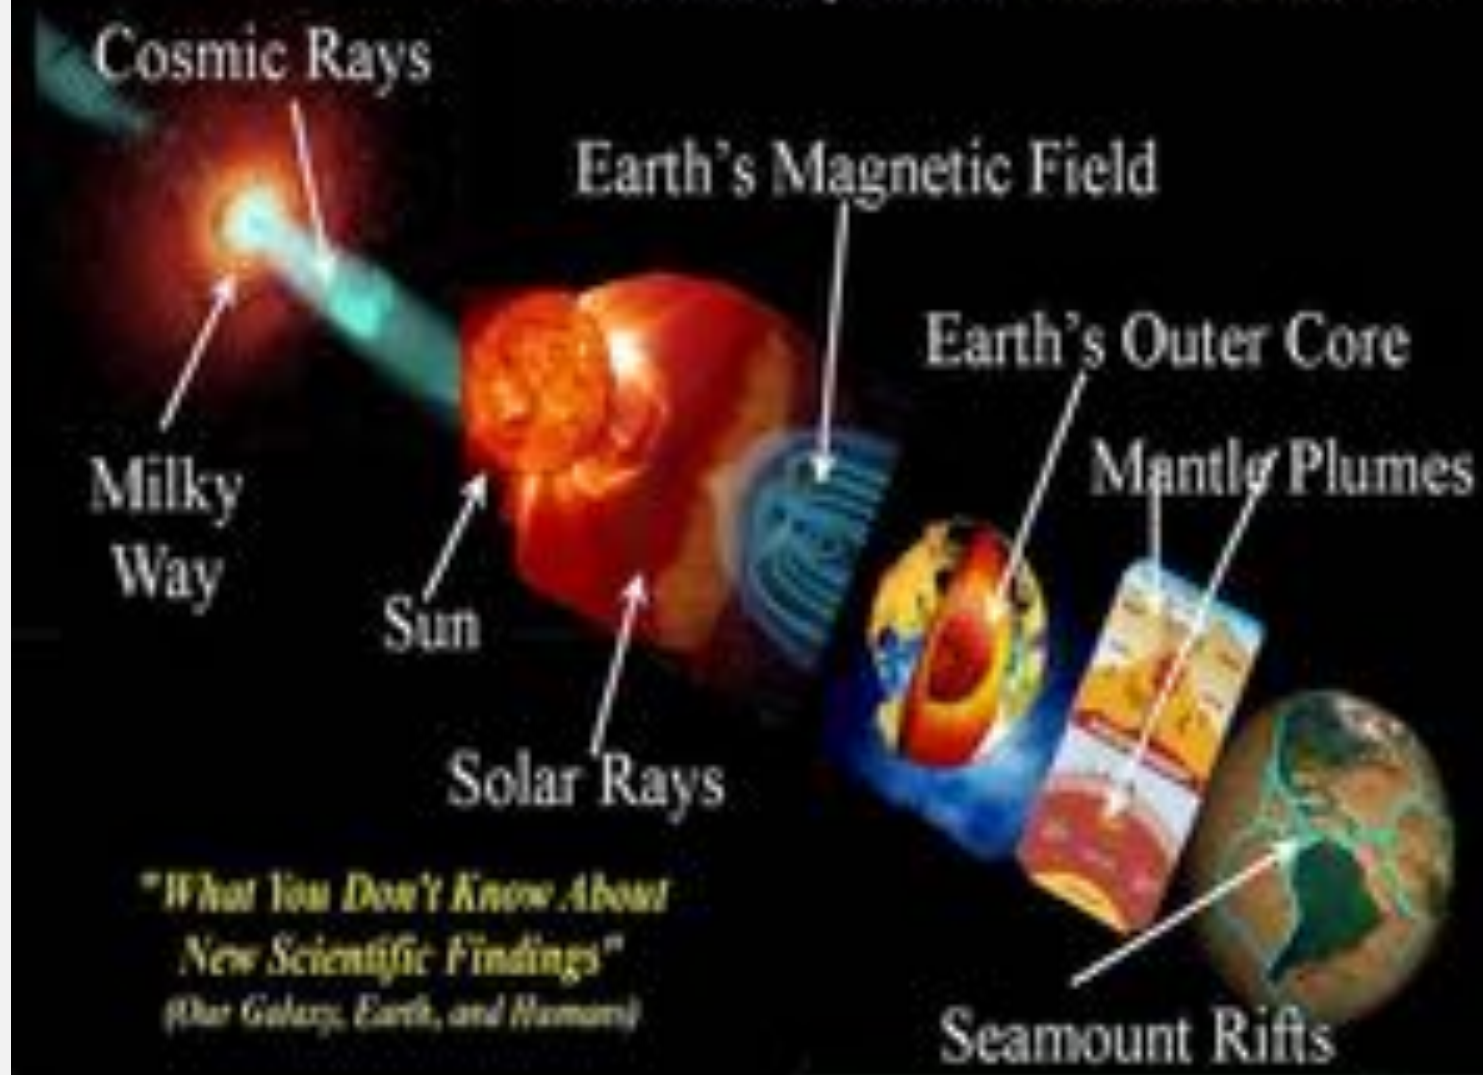

Global Electric Circuit

EARTH'S PHENOMENON: GLOBAL ELECTRIC CIRCUIT

- Weather, Fair and Foul, results from space's ionizing energies
- These energies form **clouds**, winds storms, etc.: Weather
- Does not stop at Crust: Causes eruptions-earthquakes
- Traditional meteorology *ignores* the GEC: Why its often wrong
- Earth part of Solar-Galactic-Universe energy circuit system

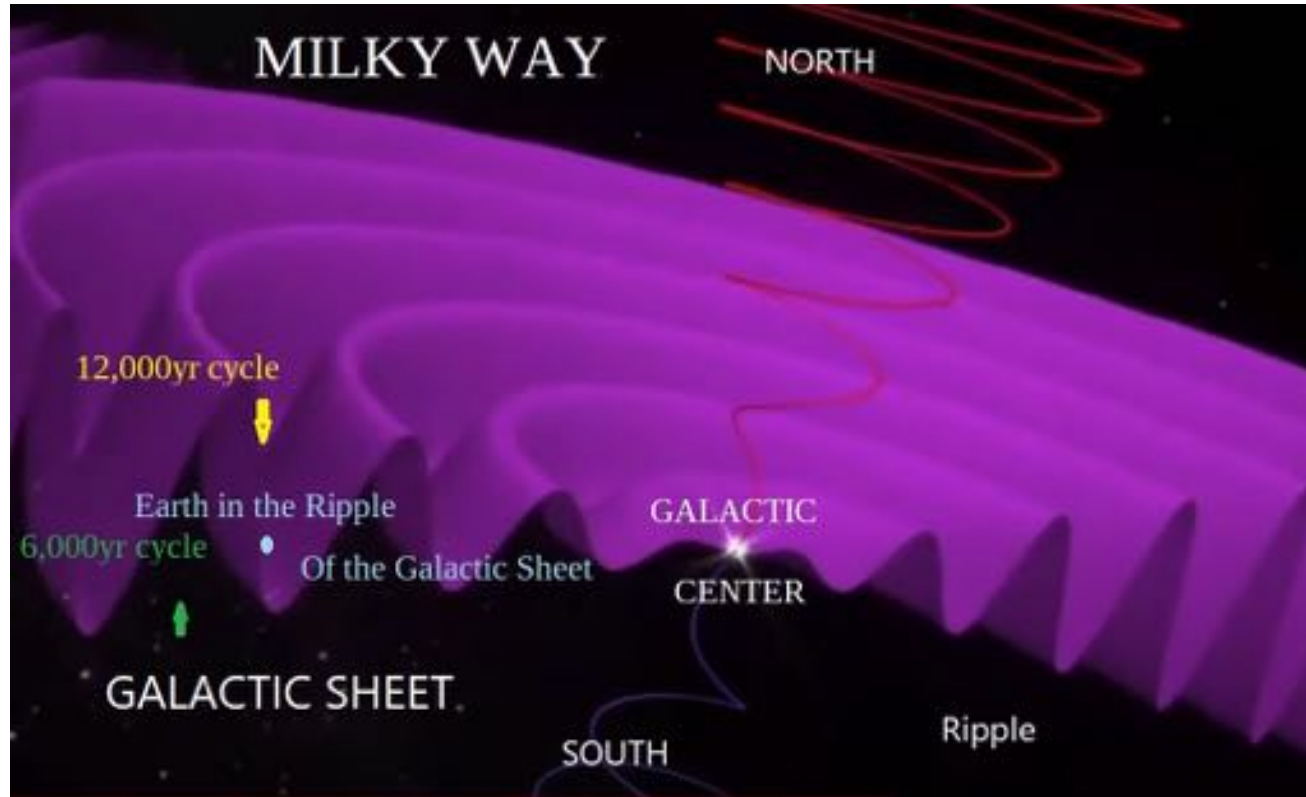

Science of Cycles w/ Mitch Battros

FATHER AUTHOR OF NATURE REVELATION EMPHASIS

- First Age ended in Noah's Cataclysm: *Techronic Plates*
- Second Age returns to One Continent-Great Tribulation
- *Foundational:* Visible built on Invisible {Energy} (He 11:3)
- *Sci-Fi* appears possible by ignoring God's reality (2Pe 3:5-8)
- *Mythologizing* is replacing of God's Truth with myths (Ro 1:18-28; 2Th 2:3-12; 2Ti 4:3-4)

OUR GALAXY: CYCLIC CHANGES

- Galactic *Winds* result from each star {Sol} forming 12,000-year cyclic *ripple*: AC
- Night sky reveals **galaxies** declaring, “God Is!” (Ps 19:1-3)
- Man’s ignorance compared to God’s wisdom (1Co 1:18-25)
- Back to Clouds: Formed by Sol-Galactic energies; i.e., God {Energy – Spirit} (Jn 4:22-24; He 1:1-3)

REVELATION'S *REVEALING*... GOD INTERACTING IN CREATION

- Lost {Satan and Man} ignorantly believe God does not work through His Creation; they rely on *natural processes* which they deify; i.e., *Nature* (2Pe 3:3-4)
 - Peter specifically ties their rejection of these phenomenon to deliberate unbelief which today we call Evolutionary Scientism; or ignorance masquerading as wisdom
- As Father interjects into Creation, He overwhelms Earth's GEC producing: Clouds, Lightings, Earthquakes; even as He does in Heaven (Ex 19:16-20; Col 1:15-17)
 - Christ *physically* leaving Earth required spiritual energy; hence, clouds (Ac 1:9-11)
 - Christ *physically* returning will require spiritual energy; hence, clouds (Da 7:13; Re 1:7)
- Revelation reveals Christ using both *natural processes* and miraculous as He separates Tares from the Wheat: Not Eisegetical Mysticism! (Mt 13:24-30; 25:31-46)
