What are key principles for gospel living from this passage?

Introduction:

- 2:1-10 An Important Story from Jerusalem

- 2:11-14 An Important Story from Antioch

What are key gospel truths from this passage?

1. Paul stood for the gospel of grace alone even under immense pressure. He did not please man because Jesus had commissioned him with the gospel of God.
2. Christians often have “traditions of their fathers” that are worth maintaining after salvation. But if they begin to keep you or others from Jesus, you may have to actually stand against them.
2. The other apostles did not require law-keeping for Gentiles, even in Jerusalem.
3. Any addition of law to the good news is a return to slavery.
4. Non-Jewish Christians must not be pressured to live like Jews.
