

Worship Service Theme: Christ Redeems  
Sermon Title: Christ our Redeemer (Job 19:25-27)

Email Summary:

Job faced many difficulties and yet he was able to see past his day and even past our day to know that he would be vindicated at the resurrection. Why? Because He had a Redeemer. Let's look at this Redeemer this Sunday as we begin a mini-series on Christ in the Tanach. Jesus walks through all the pages of your Bible.
