Biblical Worship—Part 7

Sermon: **Hebrews 9:22,23**

In the pattern of the Temple God demonstrates the issue and resolution for true worship.

We see:

1. The issue is a sinful people coming into the presence of a holy God.
2. The resolution is graciously provided by God.

Canons of Dort

The Second Main Point of Doctrine

Christ's Death and Human Redemption Through It

Article 8: The Saving Effectiveness of Christ's Death

For it was the entirely free plan and very gracious will and intention of God the Father that the enlivening and saving effectiveness of His Son's costly death should work itself out in all His chosen ones, in order that He might grant justifying faith to them only and thereby lead them without fail to salvation. In other words, it was God's will that Christ through the blood of the cross (by which He confirmed the new covenant) should effectively redeem from every people, tribe, nation, and language all those and only those who were chosen from eternity to salvation and given to Him by the Father; that He should grant them faith (which, like the Holy Spirit's other saving gifts, He acquired for them by his death); that He should cleanse them by His blood from all their sins, both original and actual, whether committed before or after their coming to faith; that He should faithfully preserve them to the very end; and that He should finally present them to himself, a glorious people, without spot or wrinkle.

Article 9: The Fulfillment of God's Plan

This plan, arising out of God's eternal love for His chosen ones, from the beginning of the world to the present time has been powerfully carried out and will also be carried out in the future, the gates of hell seeking vainly to prevail against it. As a result the chosen are gathered into one, all in their own time, and there is always a church of believers founded on Christ's blood, a church which steadfastly loves, persistently worships, and--here and in all eternity--praises Him as her Savior who laid down His life for her on the cross, as a bridegroom for His bride.

SESSION ANNOUNCEMENT

The Session desires to have a **Congregation Meeting on Nov. 1/15** (after our fellowship meal) in order to seek the vote of approbation of the Congregation (according to our church by-laws) in regards to our proposal to ordain Deacon Burrell as Ruling Elder. He would continue to serve as head of the Deaconate (all the Elders serve as Deacons, as was the case with the Apostles in Acts before the ordination of Deacons in Acts 6). Please pray for this and plan to be present at this meeting. Thank you for your prayer and participation.

Questions for discussion

[Sermon: Biblical Worship Part 7—Hebrews 9:22,23]

1. What problem makes it hard for man to worship God?
2. What would happen to us if we came to God without having sins forgiven?
3. What two things does the plan of the Temple show us about being able to worship the true God?
4. What is necessary for the forgiveness and cleansing of sin?
5. Who represents the people before God
(today as compared to OT)?
6. Did the Temple sacrifices really take away sins? (Explain)?
7. In what way do we still have “temple worship” and in what way do we no longer have “temple worship”?
