10/4/2020

21<sup>st</sup> message: **When God is not Seen**

Text: Esther 4:1-17

Theme: Ask the Lord what He wants you to do for Him.

---

J. Ross didn't know what I was going to preach on today... when he mentioned about not just pastors... **it's high time to wake up and serve**

Who is Mordecai in Shushan? (2:5, 6; 3:2)

Who is Mordecai to Esther? (2:7)

Like Mordecai as a parent, grandparent or guardian you have no idea how God intends to use these children one day

As the story turns Mordecai doesn't see himself as just a servant of the king, but a servant of the living God (4:1, 2, 7, 8, 17)

Mordecai is mentioned First and more often...

Naomi is mentioned more often than Ruth

James was the half brother of Christ – Peter just an apostle

All of these could have said,  
I'm not as important  
I'm going to sit and watch  
I'm not responsible
