Jesus (love) does what no one does
Jesus (love) says what no one says
Jesus (love) goes where no one goes
...love loves! do I?

How do we see what Jesus sees? *Love!*
Follow Jesus...and don't forget the Levi in you!

Application:

- How has Jesus “kicked through fences” erected to get to your heart & called you to follow Him?
- What fences has Jesus directed you to kick through to get to the hearts of others—even right now?
- What fears keep you from kicking through fences in pursuit of the “Levi’s?”
- Who is your “Levi” this week, this month, this season to pursue?

For Further Study:

- How have you been a Levi (tax collector) in your past before Jesus captured you?
- Read Matthew 16:24-25—How can “safety” and safeguarding our “reputation” get in the way of reaching out and loving others?
- Read Philippians 1:6—How can we begin to “see” what Jesus sees, and trust Him to do what only He can do?
