CONCLUSION

“The immortality of the soul is something of such vital importance to us, affecting us so deeply, that one must have lost all feeling not to care about knowing the facts of the matter. All our actions and thoughts must follow such different paths, according to whether there is hope of eternal blessing or not, that the only possible way of acting with sense and judgment is to decide our course in the light of this point, which ought to be our ultimate objective.”
– Blaise Pascal

Mt. 7:21-23
