

Message Title: Considering God's Schedule Pt-6

Theme: God has His own way of doing things and He has showed us but instead of studying how He works, we have a thought and then seek supporting evidence. His way of creating is based on sevens and each series of sevens is followed by a change. Our planet Earth is no different. There are ages or periods of change that take place. The biblical explanation starts in Genesis 1: 1 then to 2 Peter 3:5-7 in the New Testament. Then back to Genesis 1:2-2:2, in describing the first three. The following abbreviated scriptures describe the clear progression of re-creation that is seldom taught:

In the beginning God created the heaven and the earth, and the heavens were of old, and the earth standing out of the water and in the water being overflowed with water, perished. But the heavens and the earth, which are now, are kept in store, reserved unto fire against the Day of Judgment and perdition of ungodly men. And the earth standing out of the water and in the water being overflowed with water, perished and the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light. And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God said let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so. And God said, let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself upon the earth: and it was so. And God said let there be lights in the firmament of the heaven to divide the day from the night and let them be for signs, and for seasons, and for days, and years. And God made two great lights, the greater light to rule the day, and the lesser light to rule the night, he made the stars also. And God set them in the firmament of the heaven to give light upon the earth. And God said, let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven. And God said, let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so. And God said, let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them. And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, *“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”*. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a

terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, “you’ll get over it.” Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times “the most frustrating thing in life is, knowing what GOD could do and watch him not do it”. In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says, “it was much like when I first became a child of God all over again”. He describes it like application of (2 Corinthians 3:18), “But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord”. Truly a life changing experience as God increases and we automatically decrease.
