Narrative movements

- 5:1-4 – Defiant **pride**
 - **Indulgent** people are ready to fall
 - **Ignorant** people are ready to fall
 - **Irreverent** people are ready to fall
- 5:5-9 – Doom **declared**
- 5:10-12 – Doom **denied**
- 5:13-29 - Doom **described**
- 5:30-31 - Doom **delivered**

What does it look like when God's people speak with clarity?

1. The message is not about **self** (13-16)
2. The message is not for **sale** (verse 17)
3. The message will confront **sin** (verse 22-24)
4. The message will be **spoken clearly** (verse 26-28) Notice how it says this is the interpretation of **each word**.
5. The message (once given) will be fulfilled **suddenly** – (30-31)

We need to be careful not to muddle our message
