

Walk Worthy

1Thess. 2:9-16

1

Walk Worthy

The Main Point: As he worked with his hands, Paul urged the Thessalonians to walk in a manner worthy of the Kingdom.

You Remember...

- Our labor and toil, day and night
 - While we proclaimed the Gospel of God
- Our holy conduct
- Our fatherly disposition
 - Exhorted, encouraged, charged each one of you
 - To walk worthy—those being called to a Kingdom and glory

2

Walk Worthy

Thankfulness and Imitation

- Accepting the word as God's word—a word that works
- Imitators of the Judean churches
 - Persecuted by their own, like Christ and the prophets
 - Driving out, displeasing, opposing
 - “filling up” sin while wrath looms

Walking in a Manner Worthy of God

- Making disciples in the run of life
- A worthy life—resurrecting worthy living from the ash heap of depravity
