Ashkenazi Jews vs Palestinians

Almighty god our heavenly Father, we thank you that as we face these uncertain time, even as evil men speak of war, we have the assurance that you are on your throne. We know you are the unseen cause behind every action here on earth. We thank you that the government in on your shoulders, and not on ours. By faith we understand that all things are working together to bring men and nations under the footstool of your Son. As we look at your word, give us understanding knowledge, wisdom and courage that we maybe more than conquers through Jesus Christ our Lord, in whose name we pray. Amen

I told several people that we would deal the events of October 31 tonight. I believe the date is more than a coincidence, which was Halloween—the day when death is celebrated. So, **this will be a very short history lesson, motivated by what took place Halloween day.**

As I mentioned previously: I was introduced at a preacher's meeting. This is Brother Need. Don't ask him anything, or you will get more than you want to know.

So I am going to try to covert too much in the time we have.

A few years ago, I put together a small 45-page booklet, "Judeo-Churchianity." A pastor friend in Indiana who has a publishing business asked me to expand on the booklet into something he could publish. Well one thing led to another, and I ended up with several hundred 8.5 x 11 pages of research and documentation concerning modern Israel, which was too much for him to publish. So, the research is posted on my web site.

When I get a printer, I may publish it myself in a spiral type binding.

As we consider the following, which may be more than you care to know, we must keep in mind that we are involved in a spiritual warfare. It is a war between two spiritual entities, the Spirit of Christ and the spirit of the antichrist.

1 John 2 tells us that the *antichrist* is not a man; rather, "he" is a **spirit that wars against Jesus Christ, who is the Captain of the Lord's army, the Gospel Church. The antichrist is active in the Israeli genocide going on against the Palestinians, but his primary war is against the body of Christ, the church.**

The **Spirit of our Time** in history is war. The ungodly smell power and money, so the **Spirit of Warfare that is in the air.** We are being pushed into a war that is none of our business.

So I will go into more detail than may be needed. I know my few words will not make any difference except to establish truth in the knowledge of a few believers.

**The following is no light matter.** If we intervene in the Middle East conflict, others will also. There will be a military draft of both men and women. There will probably be an outbreak of war here in North America courtesy of the Palestinian refugees who will be forced upon the WASP nations by the tens of thousands. They will war against those who support and finance Israel's genocide against their home.

So let us see if we can put the whole situation in its Biblical and Historical context. The history will start in Genesis 10.

For 150 years, the **spirit of the antichrist** has worked to destroy the Christian Character of the US. His primary effort has been through the humanist education system, and they have been highly successful. Tucker Carlson had a very good program on this subject as he boldly put the war in a Christian context. I can send the link if you like.

**There will be and is a huge amount of prophetic speculation** and appeals to Christians to send money to the needy Jews in Israel so they can continue their wholesale slaughter of the Palestinians. This prophetic speculation will attempt to scare people into the Kingdom of God.

We had our oldest granddaughter over the other day. She wanted us to listen to a song she liked. After the good song, another video played. It was a preacher using the Great Tribulation and the assurance of a Rapture to escape the Tribulation. His effort was to get people to say **Yes to Jesus** so they could avoid the Great Tribulation.

**Beware.** The false prophets are out in force. They use newspaper exergues to shear the sheep. Their intent is lead sincere Christians down their path to defeat and destruction.

This war fits right into the Evangelical dispensational calendar of their future events. They have it all planned out as though God consulted with them. Such is the high arrogance of fallen man against God. Their plan is that when things get bad enough, Christ will return to enforce peace with His bloody sword.

It is amazing how easily professed Christians can be convinced to part with their money and their blood for totally unbiblical, even wicked causes. Yet the same people see no need for Christian education. They see no hope in the gospel of peace through preaching and teaching the requirement of faith in and obedience to Christ, starting in the Christian family. Their hope is in bloody warfare.

**This war is coming at a convenient time.** Those who want to remain in power need to cancel the election, primarily because of Trump. They also need a war to cover up the western financial collapse that can't be delayed much longer:

[Brighteon Broadcast News, Nov 9, 2023 - US debt DOOM CYCLE tipping point shattered as annual interest exceeds \\$1 TRILLION.](#)

In other words, the hard-working public is being obligated to pay 1 TRILLION A YEAR interest on money that is no more than a bookkeeping entry. We are headed to the point that “we” will have to borrow money from the FED just to pay the interest to the FED. Meanwhile, the banks are converting the fiat money into gold, while they leave the taxpayer with worthless paper.

There is nothing that takes place on the national or international scene that is not preplanned by those who hold the power.

Over the years, we have seen that when all else fails to control public opinion, go to war. I missed Korea, but I have seen several wars from the beginning of Vietnam until now. Everything is being done today to provoke a much wider war than the Middle East. Such a war will rapidly expand it to engulf most of the world. There is money and power and useless death and destruction in war.

The War

**I heard Prime Minister Netanyahu when he spoke to the house after the election of the new speaker.** Pointing to the face of Moses looking down on the House, he pleaded for America to join with Israel in the war to destroy the Palestinians. *He said that Moses led the Jews out of Egypt, so today's Jews deserved the total support of America.* He was obviously looking for Evangelical support for the war.

He lied, and few Christians can identify that lie. Moses did not lead the Jews out of Egypt. Rather, he led the newly formed nation, or the army of Israel, the Hebrews out of Egypt.

**We cannot imagine what is at stake** both financially and militarily for the State of Israel by keeping the world believing their deceitful claim that those who identify themselves as Jews are the legitimate heirs to the ancient Jewish name, and heirs to land of Canaan, Palestine.

The first thing the Speaker should have done was secure our borders. But the first thing he did was did was to promise to support Israel in its effort to completely destroy the Palestinians. That support was probably the reason he got the speakership over Jorden.

The Evangelical community has been programed to accept the lie that Moses led the Jewish nation out of Egypt. That lie is effective in getting unlimited support for the modern Israel.

I believe that as Christians, we need to understand what it taking place in Palestine in its historical and Biblical context.

My pastor used to say, “We must run everything through a Theological sieve.” In order to do that, one must know the entire word of God.

For the last 35 years, my ministry has been to examine current events in the light of God's word. The events of October 31 require a Biblical context.

Let us start by dealing with the word "Jew." Here are 4 **definitions** of Jew

**1) Jew:** a man or woman of the tribe of Judea. About 742 B.C, (2 Kings 16) is first time the word Jew is used to identify those dwelling Jerusalem in Judea. The name Jew was expanded to include all of the Children of Israel regardless of where they lived.

After being carried away by Babylon and allowed to return under Cyrus, the vast majority of the Children of Israel remained in Babylon where they were known as Jews. It was in Babylon that Talmudic Judaism was established.

**All traces of ancient National Israel** that came out of Egypt was totally erased from history in 70 AD. The **Sephardic Jews** are the only ones who might have a claim to the physical heirs of Abraham, as well as the Palestinians who were left in Judea after the Jewish-Roman war. The Ashkenazi Jews are now seeking to annihilate the Palestinians

**2) Jew:** any person whose mother was a Jew or any person who has gone through the formal process of conversion to the Jew's religion, Judaism. There is no hint of any requirement to show one's connection to the ancient Children of Israel out of Egypt. The name Jew also applies to those today who identify themselves as Jews, or because others, such as Hitler, identified them as Jews.

**3) Jew:** any follower of or convert to the Jew's religion, Judaism.

According to Rabbi Kertzer (What is a Jew, p. 35), though there are many kinds of Jews, their unifying point is their common commitment "to live a life of Torah, by which we mean that the totality of Jewish wisdom, which we refer to generally as 'Torah,' forms the basis of what we do. We have been called 'The people of the Book,' and indeed we are that. **Torah is therefore primarily a series of books, beginning with the Bible, and then continuing rabbinic writings thereafter: the Mishnah, the Talmud, midrash, laws codes, commentaries, and, commentaries on commentaries.** Jewish literature encompasses legal texts, philosophical inquiry, mysticism, poetry, prayer books, history, satire, autobiography, and even ethical wills — wills that record how parents lived their lives and advise children who survive them how to best continue the values for which the parents stood"

Kabbalah, Torah, Mishnah, Talmud, Midrash are all defined on my web site, as well as the Jewish holy days such as the Passover and Yon-Kipper.

**In 2019**, America's foreign policy concerning Israel was being formulated and implemented by Trump's son-in-law, Jared Kushner. He is an ordained minister in Universal Life Church, an

Orthodox Jew, a follower of Jewish mysticism, Cabbalism, or Kabbalism, and he prays to a famous dead Jewish mystic. Moreover, Ivanka Trump wears a noted symbol of Kabbalah...”  
[http://biblicalexaminer.org/PDF/J\\_Kabbalah.pdf](http://biblicalexaminer.org/PDF/J_Kabbalah.pdf)

**Thus, a “Jew” can mean any follower of the Jew’s religion, or Judaism:** Both the New Testament and Jewish writers identify the Jew’s religion, Judaism, as the “tradition of the elders,” or the religion of the Pharisees, which was established in Babylon. The term “tradition of the elders” is very common in the New Testament, and is continually condemned.

In John 8:44, **Christ clearly identified Talmudic Judaism as demonic.** He tells us that those who follow the Jew’s religion are children of the Devil who loves murder, lies and mayhem of all kinds. Paul and John did the same.

**John 8:44** *Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.*

Christ himself identified the followers of the Jew’s religion as children of the Devil. They are controlled by the lusts of their father the devil, and they have no problem using murder and lies to fulfill their lusts.

This is a spiritual warfare, so the Devil’s spirit of John 8:44, the spirit of the antichrist is alive and very active today in those who follow Judaism.

**Revelation 22:15** *For without [are] dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.* Those **outside the Kingdom of God** love and make lies in order to fulfill their lust for wealth and power.

The Jew’s religion of New Testament time **was and still is** the religion of the Pharisees as found in the Babylonian Talmud. Judaism came out of Babylon, **and the followers of the Jew’s religion, Judaism, admit** that the Talmud is the source of all Western Occult teaching; it is a religion of Black Magic, demonology and deceit.

**4) Jew: Biblical definition of a Jew** are those who trust Christ. They are defined by the Word of God as the “new Israel of God.”

**Galatians 6:16** *And as many as walk according to this rule, peace [be] on them, and mercy, and upon the Israel of God.*

We will deal more with the word Jew when we get to **Romans 2:29** *But he is a Jew, which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God.*

(I dealt with “Was Jesus a Jew or a Jewe,” so we will not replough that ground.)

The word “Jew” is used many times in the New Testament, and the word can be very confusing. In both secular and scriptural usage, Jew has several meanings, and the context will usually tell which meaning to use.

Its common use in the Old Testament meant a person of **the tribe of Judah**, which was one of the 12 tribes of the Hebrew Nation of Israel that came out of Egypt and settled in Canaan. **The “Jewish nation” did not come into existence until David’s grandson**, Jeroboam was on the throne of the united kingdom of Israel. According to the prophecy against David’s sin, the united kingdom split under him into two nations, Judah and Israel.

The word **Jew** has been a topic of discussion since the word was first used about 742 B.C in **2 Kings 16:6** *At that time Rezin king of Syria recovered Elath to Syria, and drave the Jews from Elath: and the Syrians came to Elath, and dwelt there unto this day.*

**Galatians 1:13** *For ye have heard of my conversation in time past in the **Jews’ religion**, how that beyond measure I persecuted the church of God, and wasted it: 14 And profited in the Jews’ religion above many my equals in mine own nation, being more exceedingly zealous of the **traditions of my fathers**.*

The **Jew’s religion, Talmudic Judaism, is identified by Paul as the traditions of the fathers.** It is soundly condemned throughout the New Testament. It was the followers of the Jew’s religion who crucified Christ, and persecuted and still persecutes the church.

We will not spend time developing the **the Jews’ religion, or Judaism**, the religion of the Pharisees, the religion that Paul profited in. For those who might want to know, see my web site. There is more there than you want to know.

History is my thing, and there are many hundreds of hours of research into the **Jew’s religion** there. <https://www.biblicalexaminer.org/JudaismOpen.html>

The War

Very few people today realize that Israel has several times admitted that they are the descendants of the Aryan tribe of Ashkenazi, a son of Gomer. 95% of Jews today are Ashkenazi Jews, and they are at war today to take over all of the Old Testament land of Canaan, and establish a powerful Jewish state.

**Zionism** is an effort to establish a powerful Jewish state. **Modern Zionism** was founded in 1897 when Theodore Herzl wrote the “Protocols of Zion.” He presented the Protocols to the inner circle of the first Zionist Congress in Basel, Switzerland. He presented them as “**A program for the enslavement of the world and the destruction of Christian religion.**”

The U.S. War Department considered The Protocols serious enough to investigate. In addition, the Protocols played a big part in the 1917 Bolshevik Revolution. All but one the men behind the revolution to overthrow the then Christian Russia were Jews. The Protocols are posted on my web site. I ordered copy of The Protocols from the proper Government agency.

**Talmudic Judaism now controls Evangelical Christendom.** Talmudic Judaism has made and is making inroads into the Orthodox, or the Reformed faith.

**The “red flag”** for Christians should be the vocal condemnation, even from Christian leaders, of any who might make an Anti-Jewish statement. On the other hand there is no condemnation for those who make anti-Christian statements.

Christian Zionists do not know what they are doing as they support and finance the Jewish State of Israel.

**Who are the modern Jews,** those who admit they are **Ashkenazi Jews.** Who are the Jews the US is financing in their effort to possess all of Palestine?

Are they, in **Netanyahu’s words,** the Jews Moses brought out of Egypt?

If they are not, who are they and from where did they come?

We are identifying the Jews who are forcing us into a war that could easily spread over the nations with the support of Evangelical Christianity.

The table of nations in **Genesis 10** identifies them:

**Ham** is the father of the Canaan. He is the father of the 7 nations destroyed by Israel when they went into the land. Ham is the father of the dark skin people, the African nations. Egypt is identified as the land of Ham.

**Shem:** The children of Israel who were brought out of Egypt by Moses are descendants of Shem, and thus they are the Semites, as are all the eastern, oriental nations, or yellow skin peoples, including the Arabs. Though the Israelite nation was destroyed in 70 A.D., there are many Semite nations still around, including the Palestinians — the people left in the land after the Jewish Roman war. They are the ones with a legitimate claim on Palestine.

**Japheth:** Japheth is the father of all the Arian or white nations, Russia, Germany, Turkey, &c. Japheth had 7 sons. Gomer, Magog, Madia, Javan, Tubal, Meshech, Tira, who are all listed in Ezekiel 38, 39.

Gomer had 3 sons, Ashkenaz, Riphath, Togarmah.

Thus, those listed in Ezekiel 38 are Ashkenazi's uncles. I do not want to get too far off the track, but let us look at Ezekiel 38:

*1 And the word of the LORD came unto me, saying, 2 Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him, 3 And say, Thus saith the Lord GOD; Behold, I [am] against thee, O Gog, the chief prince of Meshech and Tubal: 4 And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with all sorts [of armour, even] a great company [with] bucklers and shields, all of them handling swords: 5 Persia, Ethiopia, and Libya with them; all of them with shield and helmet: 6 Gomer, and all his bands; the house of Togarmah of the north quarters, and all his bands: [and] many people with thee.*

**According to the Geneva notes, Ezekiel 38 lists the enemies of the Church.** Paul tells us that the Israel of chapter 38, & 39 is the new Israel of God, the Gospel Church. The end-time war listed in 38, 39 is against the Church, the Kingdom of God on earth. This is a wonderful and encouraging study in biblical prophecy and the victory through Christ that though I have it ready, we will not get into now. It will be in the next Examiner.

**The identity of Gog** in 38:2 is speculated to be the chief power behind the army listed in vv. 2-6. Gog is identified as the chief prince who moves his army against the church. The devil is identified as the prince of the power of the air, so he could be the one who gathers his army against *the Israel of God*.

We are in a war between two spiritual entities, the Spirit of Christ and the spirit of the antichrist. 1 John 2 tells us that the *antichrist* is not a man.

Rather, "he" is a **spirit who wages war against Jesus Christ, who is the Captain of the Lord's army, the Gospel Church. Though the antichrist spirit is active in the Israeli genocide going on against the Palestinians, his war is against the body of Christ, the church.**

**Ashkenazi, a son of Gomer. Gomer is the father of the Ashkenazi Jews who are now purging the land of the Palestinians.**

Thus, the term "Anti-Semite" is a lie use to shame anyone who speaks against the Ashkenazi Jews, who have no connection to Shem.

I posted a lengthy tome concerning Gog and Magog & The Final War  
[https://www.biblicalexaminer.org/PDF/J\\_GogMagog.pdf](https://www.biblicalexaminer.org/PDF/J_GogMagog.pdf)

In as few words possible, I expose the root cause of what we see taking place today. That cause can be traced back to 930-940 AD

**How did Ashkenaz, a Turkish tribe become known as Jews who are righteous in their claim to Palestine, and have the right to purge all non-Jews from that land?**

**In 930 AD, a descendent of Ashkenazi, the Turkish king Joseph** was the king of the richest and most powerful kingdom of his day. Their home was in the Russian Steppes. That Turkish tribe was extremely wicked. King Joseph got tired of the perverseness, so he converted to **Talmudic Judaism**. HIS CONVERSION WAS IN 930-940 AD.

**When he converted, so did all his kingdom.** He insisted that all new babies born would have a Hebrew or Hebrew sounding name; he hired “memory merchants” to rewrite history in order connect the Ashkenazi’s with Biblical Israel, and prove that Canaan was their legitimate homeland. They thus identified themselves as Jews in every way possible, and claimed Palestine as their historic homeland. But their homeland was in Russia.

**For the past century, there has been an all-out propaganda campaign to convince Evangelical Christians that the children of Ashkenaz are the legitimate heir of Palestine.** And their campaign has been very profitable, especially now as they wage an all-out war to gain control of all the land, a war that is being supported by Evangelical Christians and financed with fiat money by the US central bank, the FED.

**What took place** on Halloween day, the day death is celebrated? That day Israel, financed by the US, struck Gaza’s Jabalya Refugee camp, Oct 31. They killed or wounded at least 200 people with US made bombs.

According to CNN, a top UN official resigned, stating the UN and USA have been captured by Zionists. The reason given for the right to slaughter an unlimited number of civilians in Gaze is because Israel “has the right to defend itself.”

<https://www.cnn.com/2023/10/31/middleeast/jabalya-blast-gaza-intl/index.html>

Israel has continued in their determination to destroy that refugee camp under the guise of “Right of Self-defense.”

**The border between Israel and Palestine** is one of the most heavily guarded borders in the world, and the border was probably financed by the US. Several men with their finger on current event have made the obvious observation that Israel **had to allow the attack** by Hamas in order to get world-wide support to destroy the Palestinians and take over their land. Such an event is known as a **False-Flag**. We know of more than a few **False-Flag** events where law-enforcement has been told to stand down in order to accomplish a specific political goal.

Jabalia is a densely populated refugee camp established shortly after the Arab-Israeli war of 1948, when hundreds of thousands of Palestinians fled or were expelled from territory that encompassed the newly established State of Israel.

The UN confiscated Palestine, and gave it to those who followed the Jews' religion, Talmudic Judaism. Israel then forced the owners of the land off of their land with tanks and bulldozers. Those forced off settled in the Jabalia refugee camp in 1948.

“Netanyahu knows that he can slaughter all of the “human animals” (Zionist term for Palestinians) that he wants with complete and total impunity. The sheer terror and inhumanity against innocent women and children mean absolutely nothing to this Zionist devil. He is immune from any form of criticism or accountability from anybody—and he knows it.”

<https://chuckbaldwinlive.com/Articles/tabid/109/ID/4449/Erasing-Palestine.aspx>

There is no immunity before God, and Netanyahu knows that in his heart.

The picture today looks bleak, but let us remember the promise of Ezekiel 38:21 *And I will call for a sword against him throughout all my mountains, saith the Lord GOD: every man's sword shall be against his brother 22 And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that [are] with him, an overflowing rain, and great hailstones, fire, and brimstone. 23 Thus will I magnify myself, and sanctify myself; and I will be known in the eyes of many nations, and they shall know that I [am] the LORD.*

## Prayer

Lord, it has been good for us to look at your word. We thank you that your word is truth. We thank you that your word reveals the thoughts and intents of the heart of both the wicked and

the righteous. Your word shows us the heart behind the conflicts of what is going on today. Fallen man loves wars, and he seeks power through wars as he murders the innocent with no conscience. We pray especially for our Christian brothers in Palestinian. They are suffering as Israel seeks to cleanse the land of all Palestinians. Lord, give them the grace and courage in this their terrible time of tribulation. Open the eyes of your people, and give them a love for peace that must come through Christ Jesus. Lord, we also understand that all these things are according to your perfect, predestined plan to subdue all people and nations to Jesus Christ. Give us traveling mercies as we go to our homes. Bless the Bro Moody as he leads the service Sunday. We plead these things in the name of our mediator, Jesus Christ our Lord, Amen.
