

Moses and Aaron: Sons of Levi

(Exodus chapter 6:14-27)

Introduction: Seemingly inconsequential times in our lives

1. Ch 6:14-27

Genealogies are selective

The first three sons of Jacob, also called Israel, and their descendants

vs 14-15 Rueben and Simeon

vs 16-17 The sons of Levi

vs 18-19 The sons of Kohath

vs 20-22 The sons of Amram were Aaron and Moses

vs 23-25 The sons of Aaron

vs 26-27 These are the same Moses and Aaron

Genealogies serve a purpose – so they are selective for that purpose

Genealogy in Ruth 4:18-22
