Today there is just one more point to the sermon. (And a few sub points)

What is the final Point?

- Biblical preaching calls for **faith** and **repentance**. V.29-39
- 1. What did King David **predict** (v.29-31)?
 - a. David predicted something based on **God's promise** to him (v.30).
 - b. David predicted the **resurrection** of Christ (the anointed One).
- 2. What did God do (v.32-32b)?
 - a. This Jesus God **raised** up!
 - b. This Jesus God **exalted**!
- 3. What did Jesus fulfill? He sent the **promise** of the Father – the **Holy Spirit** (v.33b)
- 4. What did Peter conclude (v.34-36)? Here is the climax of his discourse;
 - a. Everyone needs to know that:
 - i. This Jesus is **Lord**.
 - ii. This Jesus is **The Christ**, the anointed one. Heb 11: **8-13**
 - b. Everyone needs to know that this Jesus is the one **you crucified**.
- 5. What did the Holy Spirit accomplish (v.37)?
 - a. He led them to deep **conviction**.
 - b. He led them to **seek** a solution.
- 6. What did the listeners need to do (38-39)?
 - a. Seek **forgiveness** (remission of sin) because you are guilty.
 - b. Repent (**Turn around**).
 - c. **Believe** - Faith is required.
 - d. Give public **evidence** of your repentance; be **baptized**.

Back to v.37. You have heard all of this. Do you believe it?
