

BIBLE SCIENCE

Our subject is "Bible Science" and it is such for a very good reason. Please follow along and allow a few minutes to establish this thought as our subject.

1. When we say "The Bible", we are saying "The Book"! Bible is another word for 'book' and saying "The Bible" is saying "The Book".
2. We say 'The Book' not to exclusion of all other books but to the superiority and excellence and exaltation above all books in certain 'knowledge'.
3. The Bible has earned its title and place in this world; and if some, even many, deny, denounce or degrade it that does not change it!
4. It will, however, block a person from the superior light and revelation that is found first and foremost in The Bible.
5. God himself has put his word above his own name! He has 'magnified' it, made it bigger than his own name. Hence to reject God's word is even more negative than rejecting God's name.
Psalm 138:2 (KJV) I will worship toward thy holy temple, and praise thy name for thy lovingkindness and for thy truth: for thou hast magnified thy word above all thy name.
6. Note the use of the phrase 'thy truth' in this statement of scripture.
7. God's word (The Bible) is truth. *John 17:17 (KJV) Sanctify them through thy truth: thy word is truth.*
8. It is not clever to ask as Pilate did "what is truth?" (John 18:38) but rather a bit dangerous and foolish. Because denying the truth does not change or affect the truth but rather the one who chooses to disbelieve the truth. Unbelief, deniable, scoffing, critiquing, etc. keeps the truth from having its intended effect upon the individual. The Bible is not changed and nor am I if I will not give the Bible the place God gave it. (He magnified it above his name!)
Mark 7:13 (KJV) Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye.
9. The majority of The Bible cannot be 'understood' without having the same Spirit as the author- which is God!
10. God put some things in The Book which he knew mankind could 'get' by common sense and then the rest of The Book (about 98%) he 'coded' spiritually so that only those who will receive his Spirit and listen to it MAY get it. Revelation is by permission!
11. Our subject is BIBLE SCIENCE which can also be said as this 'Bible Knowledge'!
12. We have said a few things here about The Bible and now let us look at 'knowledge'
13. Science by dictionary definitions is: "**A clear and certain perception of that which exists or, of truth or fact; the perception of the connection and agreement or disagreement and repugnance of our ideas. Learning, illumination of mind; "ignorance is the curse of God, knowledge the wing wherewith we fly to heaven". We can have no knowledge of that which does not exist. God has a perfect knowledge of all his works. Human knowledge is very limited, and is mostly gained by observation and experience.**"
Webster 1828 dictionary.
14. Bible Science then is in its most widely used and applied definition "Bible Knowledge"!
15. And Bible Knowledge is the way to God Knowledge *Proverbs 9:10 (KJV)*
16. *The fear of the LORD [is] the beginning of wisdom: and the knowledge of the holy [is] understanding. Proverbs 30:3 (KJV)*
17. *I neither learned wisdom, nor have the knowledge of the holy.* And there is coming a day when *Isaiah 11:9 (KJV) They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of the LORD, as the waters cover the sea.*

BIBLE SCIENCE

18. In the day in which we live, and this is no new thing, there are those who would have us believe that all we know of math science, biology science, chemistry science, etc. came from observation and experimentation. That is simply not true. It is clearly a lie!
19. This is why the Bible warned two thousand years ago about a deception going on today, which the author of the Bible knew would come. ***1 Timothy 6:20 (KJV) O Timothy, keep that which is committed to thy trust, avoiding profane [and] vain babblings, and oppositions of science falsely so called: 21 Which some professing have erred concerning the faith. Grace be with thee. Amen.***
20. There is a 'false science' that tries to usurp itself above the knowledge of God and the knowledge from God!
21. 'God knowledge' is above earthly knowledge. For example: ***Daniel 1:4 (KJV) Children in whom [was] no blemish, but well favoured, and skilful in all wisdom, and cunning in knowledge, and understanding science, and such as [had] ability in them to stand in the king's palace, and whom they might teach the learning and the tongue of the Chaldeans.***
22. *These young men knew both earth science and Bible Science; or you might say God Science!*
23. *By the way, Daniel took place about 550 b.c.! How is that for being ahead of science, falsely so called.*
24. Bible Knowledge- Science has given mankind the insight into math, chemistry, astronomy, psychology, philosophy and many other disciplines. And it did so before supposed discoveries. Before many things were 'observed or experientially learned' they were communicated to mankind from God himself. Since there is no disputing this entire universe was designed by someone with more intelligence than all humans combined; we KNOW who made it all!
25. Because God is before all things, and because God communicated to mankind bits and pieces of his own wisdom (we could not begin to comprehend or hold what is in God's mind) The Book of books has things recorded in it that were put in there hundreds and thousands of years before man observed or documented them.

THE BIBLE IS A SCIENTIFIC BOOK

In fact, it has been ahead of the world's science for hundreds and even thousands of years.

1. ***Luke 17:30-34 Even thus shall it be in the day when the Son of man is revealed. In that day, he which shall be upon the housetop, and his stuff in the house, let him not come down to take it away: and he that is in the field, let him likewise not return back. Remember Lot's wife. Whosoever shall seek to save his life shall lose it; and whosoever shall lose his life shall preserve it. I tell you, in that night there shall be two men in one bed; the one shall be taken, and the other shall be left.*** The Lord Jesus Christ taught that it is day and night at the same time on the earth. When the event he speaks of takes place, it will be night one place and day another. Which can only happen if the earth is a globe and the solar system is what we know to be today. This is nearly 1500 years before Columbus sailed the ocean blue!
2. ***Isaiah 40:21-23 Have ye not known? have ye not heard? hath it not been told you from the beginning? have ye not understood from the foundations of the earth? It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a***

tent to dwell in: That bringeth the princes to nothing; he maketh the judges of the earth as vanity. The circle of the earth is a globe. A circle in each direction cannot describe a flat object!

3. Ecclesiastes 1:6-7 *The wind goeth toward the south, and turneth about unto the north; it whirleth about continually, and the wind returneth again according to his circuits. All the rivers run into the sea; yet the sea is not full; unto the place from whence the rivers come, thither they return again.* Solomon says these things approximately 1,000 BC and describes the circuits of the wind around a globe! While also describing the paths of the rivers and the system of rain for the earth!
4. Leviticus 15:13 *And when he that hath an issue is cleansed of his issue; then he shall number to himself seven days for his cleansing, and wash his clothes, and bathe his flesh in running water, and shall be clean.* Moses is giving out these instructions around 1500 BC. God gave his people these instructions hundreds of years before anyone discovered or figured out anything about the value of washing under running water. How could Moses know this? Because the God who made all things gave him knowledge and insight.
5. Job 37:7 *He sealeth up the hand of every man; that all men may know his work. Job is the oldest book on earth. It was written after the flood, about 1800-1750BC. The people of post-Noah's flood knew that each person's fingerprints are unique to that person. Not until the mid 1800's AD did mankind's 'science' discover it. The one who put those significant seals there knew about it all along and he shared it with someone who would believe him.*
6. Job 25:5 *Behold even to the moon, and it shineth not; yea, the stars are not pure in his sight.* As far back as Job (see dating above) God told man that the moon had no light of its own! The believer of God and his words knew this over 3,500 years ago.
