What about divine healers today?

God is in control of Divine encounters. Notice:

1. Spiritual opportunities happen in the **routine** of a spiritual life v.1-3.
  - a. Believers keep a spiritual **schedule** (v.1).
  - b. Expect divine **encounters** in the daily routine (v.2).
  - c. Expect to meet **sovereignly prepared** and open hearts (v.3).
  - d. Many times the most necessary ingredient for usefulness is **just showing up**.
  
2. Life Change happens at the **crossroads** of human need and faithful witnesses (v.4-6).
  - a. Spiritual people **see people** (v.4).
  - b. Spiritual people see people's **greatest need** (v.5-6a).
  - c. Spiritual people redirect people's expectations **toward Jesus** (6b).
  
3. Spiritual Impact Happens when God's Glory is put on **public display** (v.7-10).
  - a. God is glorified when believers **reach out** to those in need (v.7).
  - b. God is glorified when a person's faith results in a **new walk** (v.8).
  - c. God is glorified when a convert's changed life is public, **indisputable** and constant (v.9-10).

A picture of salvation for all.
