**Because Christ is sufficient for spiritual life and spiritual growth (1-4)**

**We must apply all diligence to grow to be more like Him (5-7)**

- The nature of our diligence in pursuing spiritual growth (5a)
- The goal of our diligence in pursuing spiritual growth (5b-7)

**Because Christ is sufficient for your spiritual growth apply all diligence in your faith to furnish moral excellence or exemplary selfless behavior (5)**

*This virtue translated “moral excellence” refers to excellent behavior that is distinctively \_\_\_\_\_ and others \_\_\_\_\_.*

**Because Christ is sufficient for your spiritual growth apply all diligence in your moral excellence to furnish \_\_\_\_\_ (5)**

- Who is the knowledge about? \_\_\_\_\_
- How do we come to know Him? \_\_\_\_\_
- What is our responsibility? To be \_\_\_\_\_ and not to \_\_\_\_\_.
