## **Strive As Sons & Daughters For Peace And Holiness**

Hebrews 12:1-17 (1008)

When disciples look to Jesus' Person (v 2) they also look to his example. He endured, and the author of Hebrews asserts that “it is for *discipline* that you have to endure” (v 7). He helps us distinguish between God's wrath for unbelievers (see Rom. 2:5) and his *discipline* for his children – mentioned 9 times in this passage. Acknowledge God's right to train you by discipline, and look for the “peaceful fruits of righteousness” that come from it (v 11).
