

“God’s River, God’s Blessings”

Locating The Harvest Source In Harvest Days

Psalm 65; Psalm 67
Settings In The Psalter 1 of 4

God directed the nation of Israel that “you shall keep the Feast of Harvest, of the first-fruits of your labor, of what you sow in the field” (Ex. 23:16). Years later King David in the Spirit wrote songs for the covenant community to sing “throughout its harvest days” (Ps.65:11; 67:6). These songs teach us to reflect back from harvest blessings to their source in the Creator, specifically seeing the “River Of God” (Ps. 65:9) They also teach us to look forward to the effects of God’s face shining upon us (Ps. 67:1)!
