

John 6:35-40

Beyond Belief

4. Giving Results in...

b) The Father’s Bringing to the Son – v. 44

1. Man’s Inability – “*no one can*”
2. God’s Action – “*unless the Father draws*”
 - Not...
 - But...

5) Son’s Promise of Future Grace – v. 38-40

Praxis

1. Jesus states numerous actions of God related to salvation in v. 30-40... identify those and what they teach you about God?
2. Consider Jesus’ 2 statements... “no one can come unless the Father draws him” (v. 44), “everyone who looks on the Son and believes has eternal life” (v. 40). How are being dragged and willing belief compatible ideas?
3. In what ways do the truths Jesus’ states here bring you a better perspective on yourself and others around you?
4. How ought these truths impact the way you relate with Jesus and your being “sent into this world” to do His will?
