

**Message Title:** Losing Sight of God

**Theme:** In the scriptures, as well as in our own lives we can see clearly that there are times when God's creation is closer to Him than at other times. King David, a man after God's own heart went up against Goliath in righteous anger because he had spoken evil of God, and later sinned greatly in the matter of Bathsheba and Uriah. Moses spoke with God as friend to friend and miraculously received the Ten Commandments from God's own hand but then disobeyed by smiting the rock instead of just speaking to it as God had instructed. What happened to these great men that caused such failures, and is there something we can learn from their mistakes?

This message identifies the initial first wrong turn that we all take that leads us away from God's desires and His fellowship.

**Salient Points:** Making sense of God's ways, How Lucifer fell, Focusing on self, Steps to thinking of self, Perfect peace, Unsatisfied, When prayer fails, Distractions from God, Life without purpose, Re-focusing on the Creator, These perilous times, Self love, Last days, The "I" test, Not made for self, Works built on sand, The scales at the judgment, All about self, It's God's fault, Seeking to know God, Made to fellowship with God.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says, "it was much like when I first became a child of God all over again".
