PASTOR DOUGLAS A WHITE

“BEING A RESTORED HUMAN”

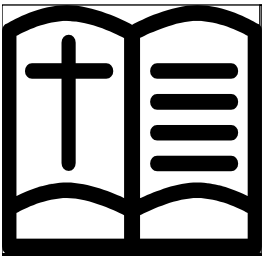

“AWAKE, NOT WOKE: UPDATE”

**Mat 24:32-44; Rom 13:11-14; Heb 10:24-25;
1 Pe 4:7-13**

I. “...NEARER THAN WHEN WE FIRST BELIEVED.”

A. *The night is far spent, the day is at hand - The Day of the LORD*

- 1. *Israel is a state again - started the clock***
- 2. *Israel is facing the greatest threat since its existence as a state and perhaps the greatest one since the Holocaust. Psalm 83; Ezekiel 38-39***
- 3. *The hero, United States, is led by corruption and has over spent and over committed itself; American policy has exacerbated the situation since the “Teddy days” and we have been lied to repeatedly about many things.***
- 4. *As Jesus had foretold, the end days would be like those of the days of Noah***
 - a. *Gross wickedness with approval of the people***
 - b. *No discernment as to what this evil means***
 - c. *Genetically modified humanity - transhuman***
 - d. *Eugenics as a part of the economic, social Great Reset***
- 5. *Antisemitism mushrooming and widespread. Anti-Christian thought trailing right behind it***
- 6. *The Church asleep in the light; more concerned with comfort, security and entertainment***

B. AWAKE AND WALK PROPERLY

1. *Not in revelry , drunkenness, licentiousness , lewdness, strife and envy ; make no provision for the flesh to keep fulfilling the lusts of the flesh*
2. *Join one another in doing good works; get serious about loving our enemy and stop the anger; love one another and encourage one another to do good*
3. *Get together for real fellowship; show hospitality*
 - a. *Encourage one another to stifle fear, anger and complaining*
 - b. *Encourage one another to let the Word of Christ abide in us and be real disciples; pray intensely with one another*
 - c. *Stay alert to read the times, understand them and act on them biblically; conditions are going to change rapidly when it starts, be prepared, not scared. Consider real needs: Food, water, clothing, shelter, energy, spiritual counsel, items to barter*
4. *Pray with the church more often and with greater seriousness and watchfulness than ever before*
5. *Let love get “red hot”. Drop your pretense; drop your need for people to please you before you like them; get transparent enough to speak to those overtaken in a fault with humility and get humble enough to let someone speak to your blind spot and make the appropriate change for Christ*
6. *Do not let someone else in the church pull all the load! You have a gift; use it! Stop making excuses/get to work! Fight like a good warrior!*
