## CHRIST

is the only Saviour of man. . . . None is able, none is worthy, to work so great a work. Jesus must do it or it cannot be done. But he is so able, and so worthy, that he can do it of himself and needs none to assist him. . . . Let us, for our part, turn to this Saviour alone, and wholly rely on him since we desire to be saved. So shall we honour him, by preferring him above all—yes, by rejecting all but him. Thus shall we be sure to bring, help, ease, and comfort to our souls.

William Gouge (17<sup>th</sup> century English Puritan)

## OUR CHURCH

We are a congregation of the Free Church of Scotland (Continuing), which has a presbytery in North America. The Free Church traces its historical roots back to the Protestant Reformation in Scotland, which began in 1560. The same biblical truths and spiritual identity have been maintained to the present day. Our doctrinal standards are the original 17th century version of the *Westminster Confession of Faith* and *Larger and Shorter Catechisms*. Further detailed information about our doctrine, worship, government, and practice are available on the book table and in the church library.
