

Message Title: Considering God's Schedule Pt-13

Theme: Part thirteen opens with some thoughts that refocus attention from the cares of the world back onto eternal things that are more important than duty. Then it moves on into some miraculous events that mark the beginning of the thousand year reign of Jesus Christ. One of the first is a day that will be seven times brighter than normal and a night that will be as bright as day so the whole world will know a major change is coming and probably much more.

As mentioned previously, God is never taken by surprise because He has planned this creation in detail before He said "let there be light" and He does nothing randomly or by trial and error. Why is it then that He is going to make a day so differently that the whole world will be shocked when it happens? Maybe the light has several benefits that only those who are curious about their Creator may consider.

God is not bound by the laws that He established, He can do anything He pleases. Consider some of the other similar miraculous things He has done that defy scientific explanation. In Joshua 10:12-13 God slowed the movement of the Sun down so that Israel could defeat the Amorites in a battle. "So the sun stood still in the midst of heaven, and hasted not to go down about a whole day." Then in 2 Kings 20:8-11 God moved the shadow on the sundial backwards 10 degrees which appears to have completed the full 24 hour change that God began in Joshua.

Science would say that is impossibility, but that is because they only understand what is, and can't understand what is possible outside of their knowledge. Just like an audience member may think about a phenomenal illusion that they can't explain.

Salient Points: Born unto trouble, Punishment vs correction, Why talk about creation, Praising God's works, Praying to receive, Serving for self gratification, A heart's desire to try, For God or for our glory, The millennium is all about Jesus' glorious reign not us, Not to just satisfy curiosity, Creation completed in detail, Self service, Service from the heart, Serving is easier than loving, Seeing yourself as God sees you, Seven times brighter, Shocking light, Extra long days, Back in time, When God changed His laws of physics, Long lasting choices.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, *"And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me"*. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
