### The Magistracy [Civil Government]

We believe that our gracious God, because of the depravity of mankind, has appointed kings, princes, and magistrates; willing that the world should be governed by certain laws and policies; to the end that the dissoluteness of men might be restrained, and all things carried on among them with good order and decency. For this purpose He has invested the magistracy with *the sword for the punishment of evil-doers and for the protection of them that do well.*

Their office is not only to have regard unto and watch for the welfare of the civil state, but also to protect the sacred ministry, that the kingdom of Christ may thus be promoted. They must therefore countenance the preaching of the Word of the gospel everywhere, that God may be honored and worshipped by every one, as He commands in His Word.
