

“WHEN JESUS COMES” Part 5
ISAIAH 61:1-3; SUPPORT SCRIPTURE

I. WHY JESUS CAME

- A. *Before the foundation of the world*
- B. *Outside of time, living in eternity, knowing the end from the beginning and the beginning from the end*
- C. *Progressively revealing the plan to successive generations*
- D. *One kingdom with two divisions: the kingdom of God with kingdom of heaven and the kingdom of earth in unity and harmony with each other*
- E. *A break in the unity: transgression in heaven, transgressions on earth, attempted coup, judgment, desired independence, a great divorce, the chosen people for the final remedy*
- F. *The Plan unfolds: from the Mind of God to His imprisoned, lost sons in time; spirit of prophecy...*

II. WHEN JESUS CAME: UNFOLDING THE DRAMA OF THE AGES

- A. *When the time was right*
 - 1. *Getting the people primed for the Messiah and for delivery; agitation and unrest*
 - 2. *Famine for the Word of God; reform groups starting up*
 - 3. *No presence of God; but presence of the adversary*
 - 4. *Watched by the dragon; heavy spiritual activity*
- B. *Getting the players together*

1. *Son of God and His forerunner*
2. *A woman of the right lineage and age*
3. *Angels to make pronouncements and announcements*
4. *To redeem the cosmos, the Messiah had to be both Elohim (heavenly) and human (earthly) fully; the mother would have to be human with a divine conception; heaven would have to be engaged with every part of this plan as required and to be instantly obedient; even the enemies would have to fulfill the prophecies He foretold of them*
5. *Only the first part of the mission would be completed; it was all that was needed to be completed; providing the way to the Father, He would begin gathering His people to share the new kingdom with Him*

III. WHEN JESUS COMES

- A. *Putting away all enemies human and angelic*
- B. *Righteous judgments*
- C. *Purifying earth; new heavens and new earth*
- D. *Dwellings with all human believers and God; rest/work as it was originally intended; animal harmony as it was intended; earth production in abundance; government as it should be; life extension and health; human relationships of the highest order; godly worship that profits man, God and angelic host; angelic host in their proper relationship to God and man*
