God's Will

God's Warning

God's Way

Freedom

*“The freedom of acceptance with God
and of access to God through Christ.”*
John Stott

God's Will

God's Warning

God's Way

“Christ will do everything or nothing. Either you earn your salvation, if your obedience to the law is perfect, or you trust entirely to Christ’s completed work. But you cannot do both. You cannot combine merit and grace. If justification even in the slightest measure is through human merit, then Christ died in vain.”

J. Gresham Machen

Galatians:

*Freedom
by Grace*

God's Will

God's Warning

God's Way

By faith we never *lose* our Gospel freedom - we are secure in God

By love we don't *abuse* our Gospel freedom - we also serve our God and others.

The Holy Spirit generated power
to live by faith

in hopeful and guilt free obedience
to all God has for you
