

An Offer You Can't Refuse! Part 5 "Sodomites For Christ?"

**I Text:**

Old Covenant: *Leviticus 20*

New Covenant: *Jude 1:7*

**II Doctrine:** Jude illustrates the third of three examples of God's judgment upon covenant rebels. The Rebellious people of Sodom and Gomorrah were guilty of violating God's covenant law. Even though they were not Hebrews, all people were responsible to obey God's natural law.

**III Comparing Scripture With Scripture:**

1) The angelic being Satan was created to glorify God and protect the creation. God's elite Angel betrayed his oath and started a rebellion against the living God. (*Genesis 3:1-7*)

2) His rebellion included approximately one third of the Angels leaving their first estate. The lake of fire was created and reserved to destroy these "fallen ones". (*Revelation 12:1-10; 20:7-10*)

3) All forms of pagan worship include elements of their "god's " nature. Human sacrifice, slavery, sexual perversion, and drug use are their modus operandi in all ages. (*John 8:42-47; Leviticus 20*)
