

REVELATION  
68  
CELEBRATION  
OF DEATH

Dr. Leon L. Sanders  
Revelation 11:9-10

## REFERENCE TO CHRIST: THEIR SAVIOR AND LORD

- The Two Witnesses' bodies will be displayed for 3.5 Days
  - Mirrors Christ: In the grave 3 Days; sign of Jonah – **Evil** Generation  
(Jonah 1:17; Lk 11:29-30)
  - Demonstrates degradation of the Lost who view it as *sophistication*
- Lost will have built a monument to commemorate *victory* (Mt 23:29-36)
  - Their *celebration* reveals their guilt as they express slave's *jubilee*
  - Fulfills Christ's prophecy: On this generation will fall God's wrath
  - Their deaths follow history of *murdered* prophets who warned of sin

## SIGN OF MOSES: COME OUT FROM AMONG THEM

- Moses' ministry: Called believing Hebrews out of Egypt to worship Father in Spirit and Truth (Jn 4:23-24)
  - The length and *apparent* success of their ministry promotes world-wide influx of *True Jews* to Jerusalem; and Gentile salvation (Ez 37:15-23)
  - They will despair at Two Witnesses' death-desecration {Night} as Christ's disciples despaired at His *apparent* death (Mk 14:27; Lk 24:17-26; Jn 16:32-33)
  - Christians called to *come out from the World's* worship system (2Co 6:14-18)

## SIGN OF ELIJAH: WHO IS THE TORMENTOR?

- Ahab claimed *Elijah's* Three-Year Drought tormented Israel (IKi 18:17-18)
  - Elijah informed Ahab he was the actual tormentor {Antichrist-type}
  - Ahab-Jezebel legitimized national idolatry {Hermetic Dialectic}
  - Elijah showed Baal's impotence – *Whom do you worship?* (IKi 18:20-21)
  - Jezebel unimpressed; threatened Elijah who expected victory (IKi 19:1-3)
  - Elijah learned Christ not in *signs* but in His Word-His time (IKi 19:9-18)
  - Believers must learn to rest in Christ's Word; not displays of Control

## CURIOUS DETAIL: WHO IS CELEBRATING?

- One expects kings to be celebrating; they are curiously absent
  - These are *stakeholders* or they would not be celebrating
  - These are wealthy denoted by sending timely international gifts
- Our first glimpse of the true Controllers who remain elusive
  - Control governments, industry and worship for their purposes
  - These are Financiers whose Control today is *pooh-poohed* {BIS}
  - They ridicule all who surmise their influence as *Conspiracy Theorist(s)*

# ILLUSION OF WEALTH: MONEY OUT OF NOTHING - VANITY

- Modern Era Controlled by financier's *money-debt* delusion (Ec 1:2-11)
  - Grew from need to break financier's hold over governments {Jewish}
  - British East India Company-Bank of England pioneered this system
  - Model of Federal Reserve and all central banks
  - Centrally Controlled by Bank International Settlements {Swiss}
  - Fosters *illusion* of Free Market system or Socialism's Capitalism
  - Illusion of capital from debt; making everything vanity {Hebel-Abel}

## THE LIE MORE POWERFUL: WORSHIP THE DELUSION

- Passage follows Genesis: Summary narrative followed by details
  - Two Witnesses challenge Antichrist's/False Prophet's 3.5-year reign and *apparently* lose; fosters illusion of Satan's dominance; like today
  - Separates *True* believers from *False* believers who fall away (Mt 7:21-27)
- History story of Satan building toward this end from Man's view
  - Bible shows true perspective, revealing Satan's delusion (2Ki 6:17-20)
- You are challenged constantly: See Truth or Accept The Lie (2Th 2:3-12)
