

# Two Women of Revelation Babylon Israel

Eschatology: Study of God Developing People  
in His Image  
Dr. Lewis, Sanders

## Study in Contrasts

Judaism

Spiritual Jews

## Slave Israel – Second Woman

- Satan carries this blasphemous woman.
- She is Babylon, Mother of Harlots
- Satan hates but uses her

## Why Does Satan Carry Her?

- Satan has authority over the world powers, but he uses Judaism to accomplish his goals
  - Statism – National Israel (Secular/Judaic Jews)
  - Globalism – Anti-National Israel (Secular/Judaic Jews)

## Judaic Israel Hates God

- Judaic Israel killed the prophets that called her to repentance and union with God (Mt 23:37)
- Judaic Israel killed the Messiah (Mt 27:43, 50)
- Judaic Israel seeks to destroy the Gospel (Mt 23:38)

## Their History Betrays Them

- Statism – Formation of modern Israel from the Zionist Movement (Herzl in 1897)
  - Zionism is a secular, socialist movement
  - Modern Israel is a secular, socialist state that forbids the Gospel and is rejected by some religious Jews (http://www.christianity.com)
- Globalism – Formation of a one-world government HQs at Jerusalem
  - Beginnings were mainly secular with Jewish support (Socialism, Communism)
  - Judaism itself increasingly became the dominant force agitating for the erection of the Temple complex and reinstatement the sacrificial system

## Their Own Words

<https://www.youtube.com/watch?v=1MkLkLkLkLk>

justice in Jerusalem will be the seat of the Supreme Court of the United Nations

- Ben-Gurion, Father of Zionist

Israel declared in 1948

- Jerusalem to be the HQ of world socialism
  - Shrine of Prophets
  - World Court
  - Single police force
  - World peace

## Who Are the Judaic Jews?

- They began as the Pharisaic sect that worshiped the Torah but rejected the Bible
  - They define the Torah as those writings which we know as the Babylonian Talmud and other writings
  - The Pentateuch is of little value to them except as a means to deceive, distract, the goyim from Judaism's true goals

## Judaism Seeks to *Control* Gentiles

- Those dispersed Judaizers think they control Gentiles via
  - Monetary systems
  - Media systems
  - World government movements (Socialism, Communism, Populism (Revolutionary))

## Secularized Jews

- "Without divine permission, the rebuilding of a hypothetical Israelite commonwealth would be, as Baruch Spinoza had the prescience to foresee as far back as the seventeenth century, dependent on the prior secularization of the Judaic people."

(Hoffman, Michael) (with ill. ed.) Judaea Document: A Study of the Anti-Biblical Religion of Karim, Galf, Worfing, Suppression and Death (Kindle Locations 134-135). Independent History and Research. Kindle Edition.

## Judaics over Secular Jews

- "Secular... Israeli Jews hold political views and engage in rhetoric similar to that of religious Jews... For religious Jews, the blood of non-Jews has no intrinsic value; for Likud (political party of Begin, Shamir and Netanyahu) it has limited value... Most foreign observers do not realize that a sizeable segment of the Israeli Jewish public holds these chauvinistic views... The world view of Likud politicians, enthusiastically supported by followers, is basically the world view of religious Jews; it has undergone significant secularization but has kept its essential qualities."

(Hoffman, Michael) (with ill. ed.) Judaea Document: A Study of the Anti-Biblical Religion of Karim, Galf, Worfing, Suppression and Death (Kindle Locations 144-145). Independent History and Research. Kindle Edition.

## Satanic Zionist Regime

- "The Zionist regime in Palestine is Satanic to its core. By what criterion is this regime the 'State of Israel,' 'Yahweh's eternal holy sovereignty?' This brazen usurper's coinage is itself only 500 years old. It was newly minted by Satanic Talmudists who hate all Judaics who do not follow their own abominable, prideful, rabbinic defiance of Yahweh. Their 'love' for you as a Judaic is entirely conditional on your obedience to their Satanism. You can be loved by them and hated by Yahweh, or loved by Yahweh and hated by them."

(Hoffman, Michael) (with ill. ed.) Judaea Document: A Study of the Anti-Biblical Religion of Karim, Galf, Worfing, Suppression and Death (Kindle Locations 150-151). Independent History and Research. Kindle Edition.

## Last Days Project

- "The Zionist regime is a 'Last Days' project of the Talmudists, dependent on the imminent emergence of the Mashiach (Messiah). It is the Kabbalistic incarnation of a Satanic entity in a land satanized by this very act of incarnation. This is deliberate. The Mashiach becomes not a man, but the transcendental and miraculous 'State of Israel,' the idolatrous Zionist regime itself, which, as a god of this world, is immune from criminal prosecution, and cannot commit a war crime that can be prosecuted before the World Court, the United Nations or any other western-dominated legal tribunal accustomed to judging everyone else..."

(Hoffman, Michael (2011) ed. ed., *Judeism Discovered: A Study of the Ash-Blind or Religion of Racism, Self-Worship, Superstition and Deceit (World Locations 2011-2012)*, Independent History and Research, Kindle Edition.)

## End of Days: State of Israel

- "The Kabbalistic strategy is eschatological and judges that our age is the 'End of Days,' which signals the Jewish emergence from the post-catastrophe of BT Keritot 122a which Rabbi paraphrased as, 'This shalt not ascend by force.' But as we see from the declaration of Zionist Rabbi Judah Aflalo, the Jews have been freed not by God, but by the zeitgeist, by the god of modern times. 'The spirit of the times has freed all the inhabitants of the earth to live where they wish and granted them freedom to travel from country to country, it calls upon us to say to the prisoners (Outlets in exile), 'Go free!' The spirit of the times summons every people to reclaim its sovereignty and rise up...so too does it demand that we establish the 'State of Israel')."

(Hoffman, Michael (2011) ed. ed., *Judeism Discovered: A Study of the Ash-Blind or Religion of Racism, Self-Worship, Superstition and Deceit (World Locations 2011-2012)*, Independent History and Research, Kindle Edition.)

## Studying the Torah is Death

- "When apologists for Judaism quote the saying of R. Meir in BT Abodah Zara 3a ('a gentile who studies God's law is equal to a high priest') they do so in the expectation that their target audience has never heard of BT Sanhedrin 59a, 'A non-Jew who engages in the study of the Torah is liable for execution.'"

(Hoffman, Michael (2011) ed. ed., *Judeism Discovered: A Study of the Ash-Blind or Religion of Racism, Self-Worship, Superstition and Deceit (World Locations 2011-2012)*, Independent History and Research, Kindle Edition.)

## Judaism is Gnosticism

- "Shulchan Aruch, which would become the basis for subsequent halachic decisions, is based in part on the Kabbalah, yet because this is not well-known among the goyim, it is denied, in order to avoid having to account for how a flagrantly pagan/occult text like the Zohar is a source of rabbinic "Biblical" law.

(Hoffman, Michael (2011-01-01). Judaism Discovered: A Study of the Anti-Biblical Religion of Racism, Self-Worship, Superstition and Deviant Kinship Locations (2nd ed.). Independent History and Research, Kindle Edition.)

## Kabbalah is Judaism

- "Adin Steinsaltz is the Nasi (great one) of the revived Israeli Sanhedrin: "Rabbi Steinsaltz said that Kabbalah, despite a mystical and esoteric nature that's shrouded in mystery, is 'part of the Torah in the same way Talmud is part of the Torah.'"

(Hoffman, Michael (2011-01-01). Judaism Discovered: A Study of the Anti-Biblical Religion of Racism, Self-Worship, Superstition and Deviant Kinship Locations (2nd ed.). Independent History and Research, Kindle Edition.)

## Satan is their god

- "Yahweh, the God of the Prophets, is not the deity of Judaism. Judaism's god is in the lower case, a devil-idol, the spirit that entered Judas (John 13:27)."

(Hoffman, Michael (2011-01-01). Judaism Discovered: A Study of the Anti-Biblical Religion of Racism, Self-Worship, Superstition and Deviant Kinship Locations (2nd ed.). Independent History and Research, Kindle Edition.)

## Star of Who?

- The Bible associates no symbol with Israel or King David
- The "Magen David" was commonly used by Judaizers near the 17<sup>th</sup> century

## Magen David

- It was placed in the Rothschild family crest
- It was adopted by the Zionist Movement
- After debate it was adopted as Israel's flag
- How old is this symbol?

## God Hates this Symbol

- But ye have borne the tabernacle of your Moloch and Chion (Saturn) your images, the star of your god, which ye made to yourselves. Therefore will I cause you to go into captivity beyond Damascus, saith the Lord, whose name is The-God of hosts.  
(Amos 8:1-10)

## Linked to Solomon's Wives

- The Seal of Solomon (or Ring of Solomon; Arabic: Khātim Sulaymāni خاتم سليمان) is the signet ring attributed to King Solomon in medieval Jewish tradition, later also in the Islamic and in Western occultism.

*Secret Seal of Solomon*

## You Have NO Soul to Judaism

- "That gentiles do not have souls is the fixed sacred law and dogma of Gedolei Yisroel. How the law that gentiles have no souls is applied is certainly subject to discussion and contestation in the Mishneh Torah, Kesef Mishneh and a thousand lesser texts. The law itself is incontestable."

(Hoffman, Michael (2011-01-01). *Jehovah Document: A Study of the Anti-Biblical Religion of Racism, Self-Worship, Superstition and Deceit* (Kindle Locations 3122-3123). Independent History and Research. Kindle Edition.)

## Babylon Harlot Kills the Gospel

- Israel of today is not the "called out" Israel whom God will gather from the lands He has sent them
- This Israel is of Hagar who seeks only her own ends at the expense of all others

## Seeks Only Judaic Power

- Babylon the Harlot has joined with Gnosticism to corrupt the true faith of God, even that of Moses which has been superseded by Christ!
- They seek reinstatement of the Temple and sacrificial system even though Christ has torn the curtain between the Holy and Holy of Holies symbolizing the end of the sacrificial system 1Th 5:2-3

## Israel Provides the Altar

- Though Israel thinks she is controlling the Gentiles, they, via the Antichrist, are controlling her
- When the Temple, altar, complex is completed, even while animals sacrifices are occurring; the Antichrist will arise and declare himself as their true messiah

## Hagar's Jews Destroyed

- Satan hates ALL Jews
- He uses Judaism but when he no longer needs them, he will destroy them with fury
- This is God's punishment for those who rejected Him and persecuted His saints 1Th 5:2-3

## Destruction Leads to, *Truth?*

- With the removal of the Judaizers the only faith allowed is Gnosticism promoted by the False Prophet deifying the Antichrist who promises to lead believers to the Oneness, to be gods.
  - This is the original temptation to sin ...

Goal of Gnosticism: Redemption of Satan and Sinners  
Apart from Christ in the Path of Christ
