

“Honoring Jesus Christ”

John 8:48-59

The confrontation between the Jews and Jesus in John 8 provide us with the clearest teaching on the deity of Jesus. Consequently, we should honor Jesus Christ for Who He is!

He to whom the Gospel bids us come with our sins, and believe for pardon and peace, is no mere man. He is nothing less than very God, and therefore ‘able to save to the uttermost’ all who come to him. Then let us begin coming to Him with confidence. Let us continue leaning on Him without fear. The Lord Jesus Christ is the true God, and our eternal life is secure.
