Relational Resolutions

I Will Connect And Grow With Others!

Acts 2:46

The early New Testament church **continued** to meet as a large group in the temple and they also gladly and sincerely met together as smaller groups in their homes.

Polls and surveys indicate that when people meet together to study God's Word and pray, they grow in their spiritual maturity and the **church** becomes stronger.

You cannot grow effectively as a believer and passionate follower of Christ in **isolation**.

Small Group Transformational Factors:

1. The **relationship** factor.

We are most like the 5 people we spend the most time with.

Small Group Transformational Factors:

2. The **ministry** factor.

Our small groups do two things well, they find a need and then they fill it.

Small Group Transformational Factors:

3. The **teaching** factor.

We learn by listening and applying what is preached in the worship service.

1 Corinthians 1:17; 2 Corinthians 2:12; Proverbs 27:17

Small Group Transformational Factors:

4. The **evangelism** factor.

Rather than asking the church to feed people into our small groups - our small groups should be inviting and **assimilating** people into the church!

“Leading people to become believers and passionate followers of Jesus Christ.”
