*Our God who Delivers*

*The Birth of a Deliverer*

***Exodus 2:1-10***

### **PASTOR'S PRAYER**

Almighty God, You are our Deliverer. You sustain, preserve and keep us as we journey through this broken and difficult world to our celestial kingdom, into your glorious presence, heaven. Lord, we confess our weariness and often overwhelmed hearts are so quick to lose sight of your end and your aim and your kingdom. We are so very busy, so very frantic assuming we are preserving our own lives and we are our own deliverers. Lord, grant us faith and repentance this morning that we might stop and rest in your sure deliverance and rely on your unwavering perseverance for us. Thank you for sustaining us this past week. We are seldom come back to thank you for your blessings in the past week. Thank you for keeping us from physical harm and amazing sufferings. We see this all around us. Thank you most of all, Father, for keeping us from falling away from your preserving presence. We are so much like a child who is constantly trying to push away and be independent. Thank you for showing us grace this week and insisting on holding our hand in the midst of the furious danger that we were unaware even existed. Lord, you are good and have preserved us this week. And in your amazing mercy and compassion have brought us here again to hear your life giving word with your people. Thank you and grant us ears to hear & eyes to see the glory of Christ this morning. Amen & Amen.
