

## Psalm 98

This Psalm is an invitation, not a \_\_\_\_\_ for all of God's creation to worship him. Yet those who \_\_\_\_\_ to believe in and surrender to him do not obey this commandment to worship God. The psalmist lays out how God is to be worshiped and who is to worship him. In the conclusion of this Psalm, the writer makes known that God will ultimately judge all creation and those in it according to his \_\_\_\_\_. Thus, it would do us good to be obedient and surrender to and worship God.
