#### 1. Behold the blessed Servant of God.

- a. The Servant of God is far \_\_\_\_\_  
to anything else a person would look to for help.
- b. The Servant of God (Israel) has been given  
responsibility with great implications for the whole  
world. But there is One in particular (the Messiah)  
who will accomplish this God-given work.
- c. The Servant of God is the \_\_\_\_\_ of  
God the Father and anointed by God the Spirit for His  
world changing gospel work.

#### 2. The ministry of the Servant of God.

- a. The Servant of God will bring forth true gospel  
\_\_\_\_\_ to the nations of the world  
with a calm certainty.
- b. The Servant of God will minister \_\_\_\_\_  
to all who are weak and disheartened.

- c. The Servant of God will not fail to \_\_\_\_\_  
His gospel work though He meets with great  
opposition.
- d. God the LORD made these \_\_\_\_\_  
to His Servant from all eternity so there is absolutely  
no doubt that they will all be fulfilled. Glory to God  
alone!

*“Because glory and praise belong to God alone, He is  
able to carry through His work with the Servant; were He  
to forfeit that which is His due alone, He would be as  
\_\_\_\_\_ as the graven images.”*
