1. To believe the Gospel requires that we believe Jesus' **divinity** (that is He is God).
 - a. The Holy Spirit appointed **Human** witnesses
 - b. The Heavenly Father sent **angelic** witnesses
 - c. God provided the **definitive** witness – Himself. Luke 3:21-22.
 2. To believe the gospel requires that we believe Jesus' **humanity**. 3:23-4:13
 - a. His humanity is proven by his **genealogy**. 23-38.
 - b. His humanity is proven by the **temptations**. (4:1-13) How was he tested?
 - i. The Devil told Jesus that his circumstances were evidence of God's **lack of love** (V.3-4).
 - ii. The Devil told Jesus that there was an easier way to **accomplish God plan** (V.5-8).
 - iii. The Devil told Jesus to put God to the test by **presumptuous actions** (9-12).
- From the beginning Satan's cleverest trick is to get people to believe "**the Lie**".
 - Wouldn't you rather believe the Truth?
