

Proverbs Lesson #5

THE PRODUCT OF WISDOM (Proverbs 3:1-12)

The Key Verse describes the Book: **Proverbs 4:7** " _____ ;
therefore get wisdom: _____ " (**Memory Verse**)

Memory Verse for Ch. 1: Proverbs 1:7 "The _____
knowledge: _____ wisdom and instruction." Review the memory
verse from chapter 2. Proverbs 2:1; and then Proverbs 2:1-5 is the goal.

Chapter 3 tells us of the product or result of wisdom. Just this week an 83 year old
Christian said to me, "Reading the Book of Proverbs through in one month, everyday
one chapter is an anchor to our Christian living!"

- A. The Product of Wisdom (Proverbs 3:1-2)
- B. The Product of Compassion (Proverbs 3:3-4)
- C. The Product of Conviction (Proverbs 3:5-6)
- D. The Product of Character (Proverbs 3:7-8)
- E. The Product of Contributions (Proverbs 3:9-10)
- F. The Product of Chastisement (Proverbs 3:11-12)

A. THE PRODUCT OF WISDOM (PROVERBS 3:1-12)

1. The Product of Consecration (Proverbs 3:1-2) Wisdom Recognizes the great value of
dedication to The Lord.

- **The command of wisdom.** "Forget not my law; but let thine heart keep my
commandments" (Proverbs 3:1). The command is twofold. **First**, the Interest in the
Word. "Forget not my law". Our devotion to the Word of God is vital to keeping the
Word of God. Daily Bible _____ and _____ is necessary to keep from
_____ what God has said. Disinterest in the Word of God results in forgetting
what God has said and written down for us. **Second**, the doing of the Word. "Let
thine heart keep my commandments." The most powerful way to not forget God's
commandments is by obeying His Word! It is one thing to hear but then to put that
knowledge into daily living is powerful!
 - **The compensation of wisdom.** "For length of days, and long life, and peace, shall
they add to thee" (Proverbs 3:2). To keep the command to not forget the Word of God
and to do what the Holy Bible says will add time and tranquility to one's life. Psalm
55:23 "bloody and deceitful men shall not live out half their days". We have the
example of Absalom, who was a deceitful man. He died at a young age. Look at II
Samuel 15:11, 12; II Samuel 18:10,14,15.
