

Introduction

- I. In the text we read of the one of the greatest contests that ever took place.
- II. Contest on Mt. Carmel is still important for the church today. We must learn from it because if we don't, we are doomed to repeat the sins of the people of Israel. 1 Cor. 10

**The Prophet Standing for Jehovah  
(7) Jehovah, He Is the God**

I. **Testing Baal**

- A. The Lord, through Elijah, sets the rules and parameters of the great contest. What are they?
  
- B. Through this test, Baal is exposed as a fraud!
  
- C. The point is that because Jehovah is the God, Baal is not the God. Idol gods cannot deliver because they don't exist.

II. **Sending Fire**

- A. God sent the fire to reveal that He alone is the God.
  
- B. In addition, the sending of fire reveals that He is Jehovah, the faithful God of His covenant.
  
- C. Because of the fire revealing that God alone is God and He is a faithful covenant God, he is to be praised and glorified.

III. **Confessing Humbly**

- A. The people confess humbly, "Jehovah, He is the God..."
  
- B. What leads to this confession and conversion? Seeing the great works of God.
