Strategies For Interpreting Genesis

1. Where could we go to get some controls on how to interpret Genesis?
2. Is Genesis a fantasy or allegory? Why or why not?

Gal 4:24-30

Rev 11:8

3. You go off to a professedly Christian College. Your professor assures you “We don’t have to worry about old controversies between Genesis and Science. The evidence assures us of the fact of evolution and so God used the process of evolution to create the world and man. We can believe in Jesus and evolution.” Reasoning from what Jesus and Paul believed about Genesis show that we can believe in Jesus *or* evolution.

Matt 19:4-6; 23:35; 24:37-39

Rom 5:12-14; 8:20-22; 16:20

1 Cor 6:16; 11:8-9; 15:21-22, 39-40, 45-47

2 Cor 4:6; 11:3

1 Tim 2:13-14

4. What are the Differences between Creation and Evolution? (you might highlight those in your Bible)
5. What are the three strategies people have used to deal with the conflict between Genesis and Evolution? Explain them.
